Cutback feared at Hospital

Increases in costs and services at the Sturgeon General Hospital will likely lead the Sturgeon Hospital Board to appeal this year's approved budget.

Although the budget weighs in at \$2,225,290, \$¼ million more than last year's, the board feels doubtful that it will be able to make ends meet and fears a cutback in services.

An appeal for more money, drafted up by Hospital Administrator Cliff Keyes will be sent to the Alberta Hospital Services Commission and a special meeting of the board will be held March 3rd to discuss the budget further.

After the board went through the 1975 financial statement, it became apparent costs were up all through the hospital. As an example nursing costs and nursing administration were up by over 40 per cent on the previous year and there was also a marked increase in the number of outpatients using the Sturgeon General.

One item on the agenda which was knocked back was a scheduled eight per cent increase in the salaries for administrative personnel at the hospital. It was felt that salary increases were not in order till the total budget question had received more discussion at the special meeting this week.

While hospital board Chairman John de Bruijn termed the 13.6 per cent

increase in the 1976 budget very generous, he felt that it did not take into account those programs which the board had already approved.

Also, with 20 per cent more people using the patients facility, Mr. de Bruijn said he expected that "we should have got more money for it."

The Sturgeon Hospital Board has about three weeks to make the appeal to the AHSC.

While Mr. de Bruijn said there would have to be a reduction of services, "there's no other way to go," and to reduce costs the hospital would have to send people home "a standard

The weatherman almost fooled us into believing spring was here. However Monday's snowfall brought out the St. Albert snow removal crew to clear off the Sturgeon River so that local skaters could take advantage of the present cold spell.

Walsh resigns from Board

The St. Albert Public (Catholic) School District No. 3 will lose a vibrant personality on March 7 this year when Trustee Sylvia Walsh resigns her position with the board. Mrs. Walsh is a veteran trustee having nearly completed two terms of office. She is leaving the board to return to her former profession, teaching, and she will be working outside of District 3.

Mrs. Walsh made the following statement:

"At the March 1st board meeting I am submitting my official resignation effective

March 7th from the Board of Trustees in order to resume my professional teaching career."

"I am returning to teaching and wish to devote the time and energy required to do a proper job in the classroom. Continuing to serve on the board would jeopardize this desire and would on at least some occasions, represent a real 'conflict-of-interest' situation."

"During my six years as a trustee on the school board I have had the opportunity to work with many fine people

whose interest in and support of education has undoubtedly helped to improve and maintain a fine calibre of education in the St. Albert area. Here I must mention the administration, trustees and staff of this and neigh-

boring educational jurisdictions as well as members of council (past and present) and the staff of Town Hall. Our elected representatives at both provincial and federal levels have supported diligently our educational ob-

jectives."

"To the many parents and students who have at various times contacted me by telephone, letter or in person regarding educational matters and concerns, a very Please Turn to Page 2

Recreation progress stifled by red tape

St. Albert Mayor Dick Plain came out swinging against bureaucracy at last Monday night's regular council meeting, saying it was strangling the recreation procedures of the town.

Mayor Plain addressed his comments in the context of a Parks and Recreation Board sub-committee which may be set up to provide a final answer to St. Albert's nagging recreation problems; and the mayor obviously feared that with the present way of "attacking" the stubborn recreation issue, council would be sitting on the issue till doomsday.

At its special facilities meeting February 18, the Parks and Recreation Board adopted a "fail-safe" approach to the recreation issue by accepting Recreation Director Bernie March's proposal for a "system's" approach to recreation facility development." It wasn't so much this computerized approach which bothered Mayor Plain so much as the irritation which a sub-committee of three from the Parks and Recreation Board might cause, as it bounced back and forth with its proposals from the Board to

the council.

"Parks and Recreation do not have the power to move without coming back to council time after time," said Mayor Plain, adding, "we're lost in boards and red-tape instead of getting after activity."

"We're responsible - to get out some decisions to the

people."

He complained that it had taken nine months for the last bout of planning and discussion on the proposed \$5.3 million recreation complex, which ended up being turned down by St. Albertians in a plebiscite.

That was why the mayor Please Turn to Page 2

Not enough "meat" from MPC meetings

As St. Albert council waded through the minutes of four St. Albert Municipal Planning Commission meetings last Monday night, Councillor Rod Thronson complained that nothing appeared to be coming back to council.

"I must have a complete misunderstanding of the MPC," said Councillor Thronson, "they are supposed to bring back a better package back to council."

The minutes of the MPC meetings went back to January 28 and highlights were the reviewing of Akinsdale development stage six and the possible rezoning of

stage four.

Mayor Dick Plain parried the complaint saying that council had delegated subdivision processing to the MPC and there was "no need to do it over again twice."

Coun. Thronson said that he hadn't understood this "by your words at the time."

Coun. Thronson seemed to be anxious that the necessary background information from the MPC meetings was not coming through to council, and he demanded that the information should be given - in more satisfactory form than minutes.

Please Turn to Page 2

Developer's power stymies people

St. Albert Councillor Frank Lukay came up with a rather bright observation at the regular meeting of St. Albert council last Monday night.

"We're getting five bedroom homes in St. Albert and Edmonton and the average family is getting smaller - the

right thing is not being done," the councillor stated.

Coun. Lukay pointed to the anomaly of building \$120,000 homes on \$30,000 lots and expressed general concern over sky-rocketing prices caused by inflation.

The main drift of Coun.

Lukay's argument was that society should be looking at a more "simplistic type of home with staged construction," which could be added on to as time goes on.

He complained that lots were in the hands of a few developers, making it impossible for people to buy land and build a house within their budget.

"There's no way people can build a home of their own, they can't obtain the lots as they are in control of a handful of developers," he said.

He said that since 1958 homes in St. Albert had shown very little variation in design and he wanted this trend to change.

The councillor's remarks came as council dealt with a notice of motion from Coun. Lukay asking that developers

NOTICE

NEW DIRECTORIES BEING DISTRIBUTED

The new 1976 St. Albert Directory is presently being distributed to every home in town together with an up-to-date map of the town. In charge of the delivery are the Rangers and Guides, who commenced delivery this week. Please allow 10 days for delivery and then if your home is missed please phone the Gazette at 458-2240. The directory is free and produced by the St. Albert Gazette.

GAZETTE SUBSCRIBERS ARE REMINDED THAT THE WEEKLY RATE FOR CARRIER DELIVERY IS 15¢ BEGINNING THIS WEEK, MARCH 3rd.

Resigns

Cont'd From Page 1
special thank you! Your interest is both gratifying and vital to the effective functioning of our educational institutions."

"Perhaps there is some truth in the old adage, 'Once a teacher, always a teacher!' I can say quite unequivocally that the most enjoyable and meaningful moments during my trusteeship were those spent dealing directly with students (e.g. speaking to classes, helping to organize the RCMP Centennial Student Essay project, participating in graduation exercises, judging oratorical or poster competitions, interviewing scholarship applicants or just visiting classrooms casually and chatting with the students and teachers and seeing what they were doing."

Mrs. Walsh is currently vice-chairman of the board. She is also a member of several committees dealing with buildings and sites, policy advisory, and awards and scholarships. Mrs. Walsh is the board representative on the Administration Council and she has signing authority to countersign with the secretary-treasurer such financial and legal documents required for the transaction of the business of the district. In leaving the district she says that she has "enjoyed immensely working under the capable and dedicated chairmanship of Mr. Steve Sieben."

SOME CONCERNS OF SYLVIA WALSH

"...since there will more than likely be decreasing financial support for education than has been the case to date or stated in another way, 'the educational dollar will not stretch as far as it has in the past.' I sincerely hope that this will not jeopardize the quality of the present programs or force the curtailment of these."

"Today, as I did six years ago, I still maintain that certain programs (especially at the senior levels) could be vastly improved or expanded

by closer co-operation by both school districts in the planning of such programs."

"...would like to see a system of universal kindergartens incorporated completely and totally into the school system."

"...would like to see greater emphasis on consumer education right from kindergarten level and up."

"...would like to see the 'designated smoking area' in schools eliminated. We are doing our students no favours by continuing these. (If they must smoke they should perhaps do it on their own time and on other premises)."

"...would like to see a more active drug and alcoholism education program. Some of the students are experimenting and learning the 'hard way.'"

"...would like to see a more clear cut policy on corporal punishment, specified more clearly and in greater detail than is presently the case. Otherwise, there may come the day when it 'blows sky-high' as did the vandalism issue!"

"...presently only the senior high school has any comprehensive type of awards and scholarship program. This should be extended in some form to the elementary and junior high school levels at least to some degree."

"At times I get more than a little concerned as to whether or not the over-all standards of present education are perhaps being 'watered-down' for any number of reasons. I still like to believe that our graduates can read, write, spell and express themselves orally reasonably well. Our universities cast some real doubt on this however. Perhaps this warrants a re-examination and modification of the present accreditation policy used at the high school level."

"I honestly cannot help but feel that some type of universal standardized type examinations at various grade levels in the core subjects would force a lot of people to 'pull up their bootstraps' and thus raise standards generally."

THE TEACHER'S CREED

Outgoing Trustee Sylvia Walsh of the St. Albert Catholic School District No. 3 submitted the following creed. She said, "This Being Education Week, I would like to share the following with you."

"I believe in boys and girls, the men and women of tomorrow that whatsoever the boy soweth the man shall reap."

"I believe in the curse of ignorance; in the efficacy of schools; in the dignity of teaching; and in the joy of serving others."

"I believe in wisdom as revealed in human lives as in the pages of the printed book; in lessons taught, not so much by precept as by example; in ability to work with the hands as well as to think with the head; in everything that makes life lovely."

"I believe in beauty in the schoolroom, in the home, in daily life and in the out-of-doors."

"I believe in laughter; in love; in faith; in all the ideals and the distant hopes that lure us on."

"I believe that every hour of

every day we receive a just reward for all we are and all we do."

"I believe in the present and its opportunities; in the future and its promises; and in the divine joy of living."

Red Tape

Cont'd From Page 1

later in the discussion with Parks and Recreation Board Chairman Lorne Wood and council suggested that the sub-committee consist of three members of council, Councillors Broadner, Weisch and Thronsdon. In this way council would be giving itself a continuity with the Parks and Recreation Board, the mayor stated, and there would be no need for the complicating factor of a less powerful sub-committee from the Rec. Board.

Again the mayor emphasized his fears that St. Albert would get nowhere fast with the recreation issue as the shuffle between sub-committees and council went on. "We're strangling ourselves with delegations, groups and procedures," the mayor said.

"We're not going to get anywhere, we need the continuity of a sub-committee of council to follow it through right to the end with Parks and Recreation."

"Going through all these procedures makes no sense ... we'll exhaust ourselves," he added.

The mayor stated that it would be better to get proposals out on site and location (for recreation facilities), "that's where we should spend some time." It was at this point that the mayor ran into some opposition from Councillor Rod Thronsdon. He felt that the Parks and Recreation Board was not being given a chance, and he wanted them to be given the opportunity to "do what we've set them up to do."

Mr. Wood suggested that the sub-committee remain and work in co-operation with an Ad Hoc Committee of council with all the recommendations still filtering up to the full council.

Coun. Thronsdon had shown he was in favour of the sub-committee from the Parks and Recreation Board and he wanted it to be kept small and non-political "so that we get the recreation facilities we need in this town -- it's one way of getting the job done right away," he said.

He indicated that there was plenty of groups in St. Albert already lining up to give their recreation recommendations to the sub-committee.

Councillor Myrna Fyfe thought the item should be tabled until the Parks and Recreation Board submitted a time line on the planning process, before any sub-committee got underway.

In fact, the tabling motion from Coun. Fyfe met with the approval of council after the long discussion.

NO DEFINITE DATE FOR FINAL REPORT

A forshadowing that the Parks and Recreation Board would not get the approval it wanted for the three-person sub-committee came early in the discussion with Mr. Wood.

Even if the machinery was set in motion, Mr. Wood told

Participants in a knitting and crocheting class are learning a wide variety of techniques and are becoming proficient in the use of several different kinds of unusual materials.

Coun. Fyfe that maybe no feedback would reach council till fall; and she then feared that this would make for another year's delay in the construction of a badly needed recreation facility. She also expressed interest in the development of the (swimming) pool side of the recreation complex, which had been turned down.

That had not been discussed at the February 18 meeting of the Parks and Recreation meeting, Mr. Wood stated.

It was Councillor Barry Broadner who got down to the finer points of the February 18 recreation meeting. Looking at the minutes he felt that the procedures illustrated there had to be streamlined "so that we end up with proposals for public reaction."

Mr. Wood said the public would be kept informed of these.

Coun. Broadner was thrown by some words in the minutes like "procure" and "facilitator," but these were adequately explained by Mr. Wood in the context of recreation planning procedures.

Meetings

Cont'd From Page 1

"Attend the meetings, Sir!" exclaimed Mayor Plain. Town Administrator Bob Byron was called in to remind the council of the function of the MPC. It was commissioned to do all the detailed study on development applications submitted

with council making the final recommendations.

Councillor Barry Broadner brought up the need for the MPC to attach more material to the minutes, but Mayor Plain said if there were any queries, then (council members) should avail themselves of staff (for information) and move meetings along properly."

Cutback

Cont'd From Page 1
people away," he emphasized.

On the matter of salaries Board member Lawrence Kluthe said that even if these were not increased, the hospital would still be short of money.

Another board member Stanley Walker said that the only way to stay within the budget was to cut back on services.

Mr. Kluthe didn't want to be a party to signing the appeal for extra funds, even though there were special considerations like population increase and more outpatients.

Not only that, he felt that the AHSC would be receiving similar appeals from every hospital in Alberta because of the nine per cent restraint on industrial risk, "he made it clear that this would not be at the expense of the quality of service. And he seemed to be referring to past operative recovery at home."

"We are not going to turn people away, we did not build this hospital to turn

policy of the government."

Mr. de Bruijn feared that Sturgeon General patients might have to wait longer than previously accustomed for service, even as much as three hours, like at the larger city hospitals. But this was only a slight possibility.

Mr. Keyes pointed out that for him the outpatients ceiling in the budget was a cause for alarm.

Power

Cont'd From Page 1
hand over a little of their power to the town on the "resale of a portion of the residential lots."

The recommendation was carried by council and will be looked at by the administration with a direct report coming back to council later.

AGT GOOD NEWS PARTY LINE

Books, magazines, comics and puzzles are required for the coming Book Fair to be held March 7 and 8 at Sir George Simpson School. Call Ann Hapchyn for information at 459-3606.

The Neighbourhood Council Steering Committee has prepared a questionnaire designed to get as many as possible viewpoints from residents on directions they would like to see the town and its communities take. The Committee has already held a public meeting to discuss community leagues and how they function. Members will be on the Grandin Mall on March 4, 5 and 6 and again on March 11, 12 and 13 with their questionnaire and hope to reach as many people as possible. Anyone interested in the Neighbourhood Council Steering Committee may phone 458-0672.

LaLeche League, a lay organization of mothers offering support to women who wish to breast feed their babies will meet Tuesday, March 9th at 8:30 p.m., at 172 Grandin Village. Topic - Arrival of baby, the family in relation to the breast fed baby. For further information call 458-0123.

Town of St. Albert

The Town of St. Albert Planning Department requires a Senior Stenographer.

The successful applicant will assist the Town Planner, and other professionals in the Department, as well as act as Secretary to the Municipal Planning Commission. Additionally, the applicant will be required to become familiar with matters and procedures related to Zoning, Building, Plumbing and Gas and Licensing Bylaws in order to answer counter and telephone enquiries and take applications for permits and licenses. The successful applicant must have a typing speed of 60 w.p.m. and take minutes of meetings when required.

Terms: Permanent
Commencement date: As soon as possible
Salary Range: \$7,271 - \$9,289 per annum [under review]
Location: Town Hall
Closing Date: March 8, 1976.
Competition #76/12

Please submit application quoting the above competition number to the Personnel Supervisor, Town of St. Albert, Churchill and Grandin, St. Albert, Alberta T8N 0G2.

Proposed expansion for St. Albert airport

A proposed expansion of the St. Albert airport looks good provided the development is not matched with more air movements from the airfield.

The runway is being considered for upgrading to an oil or cold mix asphalt surface and lights could be installed for night operation.

Airport authorities also want to subdivide adjacent land to accommodate light and commercial aviation-type industries at the airport.

Transport Canada has come up with no objections to the proposed development provided no increase in aircraft movements is generated.

The Federal Government department points out that the St. Albert Airport is close to the Villeneuve satellite airport, CFB Namao, and the Edmonton Municipal and an injection of more aircraft movements "would be unacceptable from an air traffic control point of view."

A letter from Transport Canada to President of the St. Albert Airport T. C. Harrold says the volume of traffic using the Edmonton Municipal Airport will call for the introduction of terminal radar service within two years.

This will also mean an enlargement of the present positive control area from five to 11 miles.

Once operating, no air traffic at St. Albert Airport would be permitted to move

unless cleared by the (central) air traffic control.

Mr. Harrold is also asking if the St. Albert airport might be upgraded to IFR standards with an approved IFR leardown approach, either using existing radio navigation facilities such as an XD beacon.

Transport Canada has told the local airport authorities it would be advantageous to consult with the Edmonton Area Master Plan, "since they will be able to advise ... what role the St. Albert Airport might play in the overall Edmonton area complex."

Book Fair back!

The Book Fair is back! This year through the joint efforts of the Robert Rundle and Sir George Simpson students, the Book Fair is offering about 15,000 books, magazines and comic books for sale on Sunday, March 7 from 2 p.m. until 5 p.m. and on Monday, March 8 from 1 p.m. until 9 p.m., in the Assembly Area at Sir George Simpson School. Five thousand of the books are all brand new, and will sell anywhere from 95 cents to seven dollars. The balance of the sale items will cost the purchaser from five cents to 25 cents.

Mr. Thronson, principal of Robert Rundle, remarked, "I'm sure that with the volume of books and the wide variety we have, there is a book here for everyone."

The whole process began five months ago, when the gathering of the many books started. Most of the gathering is undertaken through the schools, and this year Sir

George Simpson school had a class competition to see what room would bring the most books. It appears that they did a tremendous job.

"We would find it almost impossible to hold such a project if it weren't for the many parents we rely upon for helping us out every year," Mr. Thronson noted.

The parents aided the students in collecting \$1,000 last year, which was split between the two schools. Robert Rundle used their portion to buy nine tape recorders which have been put into general classroom use, while Sir George Simpson built up the reference section of their library.

Rundle goes Celsius

For Education Week, Robert Rundle School will be emphasizing the metric system and the many ways that it affects the Canadian public. On Thursday evening from 7 until 9:30, the school gymnasium will be lined with a number of displays depicting the change over to the Celsius system.

Principal Rod Thronson told a Gazette reporter that the whole school has completely gone to the metric system in every area possible. This includes all courses and most of the textbooks used by the students. He also mentioned that there would be desks set up so visitors can try their hand at figuring out some problems. Mr. Thronson also added that the display was open to everyone, and thought that it might be a good way for the general public to become more acquainted with the metric system.

THE ST. ALBERT DAY CARE SOCIETY

The St. Albert Day Care Society will soon have positions open on its Board of Directors. Any members of the community who are interested in ensuring the advancement of quality day care in St. Albert by becoming a board member, please phone 459-8234 or 459-5380 or write - THE ST. ALBERT DAY CARE SOCIETY, BOX 126, ST. ALBERT, ALBERTA.

On February 24th the French Playschool, "Les Tournesols" visited the Youville Home. The children sang songs and gave recitations in French under the guidance of Madame Lefebvre and Assistant Madame Bourgeois. Cookies and candies were served by the children. While there the children celebrated the birthday of one of their little mates, and each child presented their friend with a hand-made birthday card. Then the children sang, "Au Revoir Tournesols" and had a happy informal visit with Les Grandmères et les Grandpères. The children were allowed into the chapel to say a prayer before leaving. It was a memorable event for all. Thanks to the Youville Home administration and nurses for being so kind on this visit.

PTA favours pool at Paul Kane School

The needs of the community were discussed again at follow-up meeting sponsored by the Leo Nickerson PTA on Tuesday, February 4.

From the various topics given consideration at the meeting it appeared that an indoor swimming pool was given priority by the majority of the 50 or so people who attended the meeting which was held in the gymnasium.

At the previous meeting, several areas of concerns had been expressed. The PTA executive gathered these concerns and had grouped them as follows:

- *Planning the growth in St. Albert
- *Neighbourhood playgrounds for the young (tot lots)
- *Indoor swimming pool at Paul Kane
- *More facilities for St. Albert youth
- *Community centre
- *Greater use of school facilities

Those attending the meeting were asked to select one of these concerns and to form discussion groups. The groups were to choose a spokesman and a recorder.

Most parents felt that the greatest need in the community would be served by the construction of an indoor swimming pool to be attached to Paul Kane High School and they formed the largest group. Through its spokesman, this group reasoned that the location would give maximum benefit to the community. Six schools and the day care centre presently under construction are within walking distance.

Some financial benefit

might be realized if the pool were to be attached to the new addition which is being built. Nobody in the group knew for sure what grants are available towards the costs of a pool and the spokesman felt that the percentage, either 30 or 40 percent of the total cost, should be investigated. Additionally, the impact of traffic on residents in the Paul Kane area would have to be given consideration.

The group established a committee of volunteers to provide input favouring a pool at Paul Kane which will be sent to the Parks and Recreation Board.

The group dealing with town growth came up with several points on this subject. Members of this group wanted better shopping facilities incorporated into the old town area. The objective was to preserve the historical background and the identity

of the town. The group felt that alternate routes to Edmonton were needed and more unstructured recreational facilities are required. The latter requirement was submitted on the grounds that not every child wants to play hockey or swim.

The group which had discussed the community centre proposed that a community association would have a strong voice in town decision making. This group decided to establish contact with a newly formed group in town which has similar interests. (The Neighbourhood Council Steering Committee).

The spokesman for the group considering greater use of school facilities recommended that schools be designed for greater use by the community and that the public be made aware of the facilities in schools which are available right now.

Correction

The publicity officer for the birthday party of St. Albert First Brownie Pack apologized for a mistake in the sequence of the first four leaders of that pack.

Records show that Mrs. J. H. Genereux, assisted by Mrs. Teresa Gagnon, followed Mrs. J. S. Hitzberger, Mrs. A. P. Brunner and Mrs. J. C. Dobbie in that order.

followed Mrs. Genereux. Mrs. Dobbie remained in charge of First Brownie Pack for 11 years. Her first assistant was Mrs. Brunner.

Mrs. Genereux after her service in First Pack, assisted in Second and lead, at separate intervals, St. Albert Third and Eighth Brownie Packs.

EDUCATION WEEK HIGHLIGHTS

TUESDAY, MARCH 2nd

St. Albert High School - Gold Rush Days, all afternoon and from 7 in the evening. Plays, games and bake sale.
Sir Alexander Mackenzie - 7:30 p.m. Speech competition finals and music presentations.

Lorne Akins Junior High - Presentation on alcohol and drug abuse at 7:30 includes slides and film. Education displays, daytime - March 1 - 5.

Lacombe - Variety Show starts at 1:00 p.m.

Sir George Simpson - Variety Night - tickets obtained from students and staff.

WEDNESDAY, MARCH 3rd

Paul Kane High School - Open House from 7 p.m. to 9 p.m. featuring the school band, "The Great Debate," dramatic presentation, and refreshments.

Ron Harvey School - Science Fair displays 7 - 9 p.m.

Leo Nickerson - Open House and Science Fair - 7 p.m.

Father Jan - Science Fair - 7 to 9 p.m.

Sir George Simpson - Variety Night starts at 7:30. Tickets obtained from students and staff.

THURSDAY MARCH 4th

Vincent J. Maloney - Concert and displays underway at 6:15.

Sir Alexander Mackenzie - afternoon displays
Sir Alexander Mackenzie - kindergarten activity night - 6 p.m.

Lorne Akins Junior High - Afternoon guest speakers on various topics.

Robert Rundle - 7 p.m. displays and activities pertaining to the Metric System.

FRIDAY, MARCH 5th

Vital Grandin School - Open House all afternoon
Leo Nickerson - Morning - parents observe classes in operation.

MARCH 7th AND 8th

Simpson - Rundle - Book Fair 2 - 5 p.m., Sunday and 1 - 9 p.m. Monday.

REFLECTS

Positive action is required soon by town council to meet the more urgent needs of the people of St. Albert in the areas of recreation and shopping facilities.

The plebiscite on recreation with its resulting discussion, and the spontaneous action by residents holding meetings, and organizations such as the Kinsmen, Lions and Legion discussion possible projects for their support, are all providing community input valuable to council. Two clear priorities have emerged from these discussions - a swimming pool attached to Paul Kane which for more than a year has had the additional support of both school districts, and a second arena. The pool would give the old established Sturgeon Heights district a long needed facility and would serve the Forest Lawn-Akinsdale-Braeside districts conveniently as well. The logical location for an arena would then be Lacombe Park district, and if land is available on the St. Albert High site, considerable savings could be realized. This is an important consideration as the plebiscite made plain the fact that people do not want to borrow heavily for recreation facilities. The involvement of local organizations is part of the government requirements under the recreation grant and their efforts will also effect a considerable saving to taxpayers.

Since there is already a master plan for recreation in the Shelley Report as used in the first application for the grant by the town, and since the pool and arena are the most urgently needed facilities in the opinion of the majority of residents, these two projects should be undertaken for completion in 1976. There are of course many examples of pool and arena buildings in north central Alberta which the Recreation Board has probably been investigating as to feasibility and cost factors. Some plans, with arenas attached to schools, use combination food servicing units.

At the same time planning can be going forward for the other facilities under the master plan to be added over the next few years. The Arts and Crafts Guild and Town Recreation Department are initiating investigation into needed facilities in this particular cultural area.

After waiting almost a year for a decision on a major regional shopping complex by Abbey Glen, the freeze on commercial development should come off. If this international developer does not see St. Albert as a viable site for development at present, and in view of the others going in within easy reach of St. Albert residents, and because the growth of St. Albert over the next five to ten years cannot be accurately predicted, the town should meanwhile look to less ambitious development.

Abbey Glen clearly could not attract the needed tenants or they would have gone ahead. The land dedication issue was merely a convenient out.

In particular every encouragement should be given to a second food outlet such as the wholly Canadian-owned IGA who were interested last year, along with a smaller department store. Food stores are definitely interested in St. Albert and it is to be hoped no blocks will be put in their way. The twin-theatre complex proposed some months ago for development near the St. Albert Inn is still in the mill, and it should also be encouraged as a needed service for St. Albert.

Starting with the former council, considerable investigation has been done on sites and traffic impact for less ambitious shopping centres. It is to be hoped that proposals for further commercial development coming before council will not suffer undue delay.

The south end highway properties, the downtown core (in which taxpayers have a big investment and are paying some \$100,000 yearly in interest), the Grandin Mall extension proposal and the Riel Drive area should all be given serious and early consideration and co-operation by council for development to their fullest potential.

OTTAWA and SMALL BUSINESS

By KENNETH McDONALD

As the number of cars increased so did the demand for better highways. Highways bypassed the smaller towns.

...

It's generally assumed that small towns decayed because people moved away from the farms. That assumption has been

Phasing out the auto?

exploded by the findings of a study recently completed at the University of Saskatchewan. These revealed that, as incomes rose, people used their cars more. Instead of shopping locally, they drove to the larger towns and cities.

...

But fuel is no longer cheap. The president of Syncrede forecasts gasoline rationing within a few years. Large automobiles will soon be legislated off the road.

...

With the advent of the

DO YOU THINK WE'LL BE ABLE TO AFFORD ONE SOME DAY??

to the Editor

First things first!

I am very concerned with the priorities set by the Town of St. Albert.

Instead of spending time, money and effort towards a large recreational complex that we, the people, didn't want anyway, why oh why don't we have ambulance service? As a mother of small children, I think this service

should be mandatory for a town of this size. I also feel immediate action should be taken to increase and improve our fire department. Please -- first things first!!!

[Mrs.] D. A. Betts,
Forest Lawn.

No room for non-local tier 2 team

The February 18th, 1976 issue of the Edmonton Journal indicated St. Albert had been granted a franchise along with Fort Saskatchewan into the tier 2 Alberta Junior Hockey League for the coming season.

A.J.H.L. President Jim Scouler said the franchise application from an Edmonton group headed by Jim McAdie, was approved and they would operate out of the St. Albert Arena with seating to be increased from 730 to 1000.

My first re-action, and I'm sure that of many hockey

fans, was "great." we will now be able to see teams from Calgary, Red Deer, Drumheller, Spruce Grove, The Pass and Taber, play in St. Albert.

After thinking about it for awhile, I then said "where will they play and what players, if any, will be from St. Albert?" We already have two junior B teams operating here in the Stand-ard Generals of the 11-team Central Alberta Junior League and the Bruins of the six-team Capital Junior League. Both are in the playoffs. Having lived in St. Albert

for 15 years and being involved in the Kinsmen minor hockey association, I am familiar with our ice time problems as are many parents who have to get up at 6 a.m., and drive to Morinville because there is no ice available here.

There just is not enough ice time available for an extra 30 dates required by the new team.

My other concern would be in how many local boys would play on the team. At the present time our bantam and midget leagues probably have no one who could play on the team in the next couple of years and none of the members of the Generals or Bruins were considered good enough by the Spruce

Grove Mets last year. Not one boy from Spruce Grove is on the Mets roster.

Why then should we be giving away our valuable ice time to a group from Edmonton who will be obtaining talent from the C.A.C., Maple Leafs and K of C minor organizations in Edmonton?

I enjoy watching all ages of hockey take part in the game, but I am sure that we won't be watching our own boys on the proposed new team if they are allowed to play in St. Albert. Maybe in three or four years when we have a new arena we could support one but now not.

Larry Mitchell,
Sturgeon Heights.

Colossians 3:16

Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

Senior Citizens plan Spring Tea

Every week people are dropping in at the Recreation Centre (north of the curling rink) for the first time, making new friends and becoming involved in the activities going on.

Apart from the regular events, preparations are now being made for a tea and sale which will be held in the spring. Wednesday afternoons are being spent quilting, knitting, crocheting, etc. Ladies who would like to help will be made very welcome at 1:30 p.m. - all materials are supplied and the results will be sold at the sale. Anyone who has household articles or clothing which they would like to donate to the sale can leave them at the Centre anytime it's open or give them to a member of the Senior Citizens Club. The

clothing can be new or used, but if used should be clean, please!

Friday, March 5 is the first Friday of the month, a social evening will be held in the Centre. Mr. Laplante is arranging for a film to be shown and a lunch will be served. There will be a small charge to cover expenses. All seniors are invited.

Each Thursday, a number of hot, nourishing lunches are delivered to the Centre. These are available to senior citizens on an occasional basis. For information about these Thursday meals-on-wheels, phone Hettie Blades at 459-4756 or Pat Gray at 459-7476.

Bingos are held every Tuesday evening at 7 p.m. in the Centre. The next one will be held on Tuesday, March 16.

A card party is held on alternate Tuesday afternoons at 1:30 p.m., with the next being held on Tuesday, March 9.

Monday and Wednesday evenings are for "dropping in" between 7 and 9 p.m. Friends can arrange to drop in for a game of pool or cards, to watch television or for a chat. There is also a very good selection of books to choose from.

AROUND TOWN

The United Church Women are holding a Dutch Auction of clothing and household items, all in good condition on Tuesday, March 16th in the lower hall of the church. Betty McKendry will be the auctioneer and residents are invited to come along for a fun evening that always provides a lot of laughs as well as some good buys. There will also be a home baking table and lunch and coffee will be provided at no charge. Don't miss it gals - action gets underway at 7:30 p.m.

This photograph was taken of the Al Edwards rink shortly after their winning of the Northern Alberta Zone finals, which led them on to the Alberta Mixed Championships, that were held this past weekend in Peace River. The Edwards rink came out third after playing a number of very tight matches in the finals. In a last rock situation, they were edged out by a Calgary rink which won five straight to win the championship. Another Calgary rink and the Don Sutton rink from the Ottewell tied for second place. Mrs. Edwards told the Gazette that all of the curlers were treated royally and enjoyed the many social activities that the Seagrams and Peace River Curling Association people put on for them.

Operation Crackdown got results

Operation "Crackdown" has cut rural accidents in February by 50% over the same month in 1975, reports Sgt. George Siemen, officer in charge of the St. Albert RCMP Highway Patrol. Perhaps even more significant there were five accidents in February last year which involved injury and only one injury accident this February.

The eight-member high-way patrol have also observed that driving habits have changed for the better over the month.

During Crackdown approximately 2000 cars were checked and 223 equipment charges were issued. Most of these occurred during the first week and a half of the operation. A total of about

550 charges were issued overall during the campaign including offences under the criminal code, such as impaired driving.

"We feel the program was a success and will be continuing it on the highway on the same principle, because of the proven benefit of the program," said Sgt. Siemen. He also reported that the detachment had no adverse comments either by telephone or letter. All callers were pleased with the operation.

Historical Society enjoys talk by Cashman

"It was on January 14, 1861 that Father Lacombe O.M.I. decided this site would be a good place to build a settlement" said Mr. Jim Parker, president of the St. Albert Historical Society at the annual banquet and meeting of the Society on

Thursday, February 26. Born treal, he came west as a young priest and was to have a great influence on the settlement of the west. Mr. Parker continued. He returned in April of 1861 to begin the little log church which still stands. "He brought

along axes and after a short prayer three fellows started chopping trees." That was the spirit then and it is still the spirit required in St. Albert said Mr. Parker. "put your hand to the axe and get at it" and he proposed a toast to Father Lacombe, at the conclusion of the Historical Society banquet last Thursday evening.

Head table guests were introduced: Father Holland, Mr. Tony Cashman and Mrs. Cashman, Mayor Plain and Mrs. Plain, Master of Ceremonies Jim Parker and Mrs. Parker. Also introduced were MLA Ernie Jamison and Mrs. Jamison, Dr. and Mrs. Jim MacGregor, Ian Patterson, liaison officer for the Provincial Museum and John Gilpin, president of the Amisk Waskahagan Chapter of the Historical Societies of Alberta.

Bringing greetings from town council Mayor Plain

said council looks forward in the forthcoming year to working with the Society and the Oblates to develop a greater sense of awareness in the community of our unique sense of history. MLA Ernie Jamison brought greetings from the province and congratulated the Society on their current project of recording the histories of the oldtimers still living in the area.

Historian-author Jim MacGregor introduced guest speaker Tony Cashman. "Alberta has three prolific historical authors," said Mr. MacGregor "and two are Scots - Grant MacEwan and 'modesty forbids...' The third one has the misfortune not to be a Scot, and is alleged to be Irish." He noted that Mr. Cashman was born in Ireland and served in the air force during the last war, doing 30 air raids. Mr. MacGregor also spoke of his books - Edmonton Stories

and More Edmonton Stories, Vice Regal Cowboys, an illustrated History of Alberta, "the moving story" of MacCosham Moving and Storage, Singing Rivers and others.

Mr. Cashman gave an account of the rivalry between Calgary and Edmonton going back for more than 100 years during which time both cities developed their separate identities and concluding that through 100 years of competition the two cities were pretty well on even terms, and that the rivalry had been good for both. His history was sprinkled with delightful humour and dozens of hilarious anecdotes from the time Edmonton was besieged during the Rebel rebellion and called on Calgary for help, through the Edmonton-Calgary "olympics" of 1888, to the competition between newspapers in which Calgary had the benefit of Bob Edwards, but the Edmonton Bulletin got in some good licks by Frank Oliver. Then came the fierce tussle for becoming the capital of the province, with Vegreville getting in the act along with Banff.

Of course the first legis-

lature was called in Edmonton and 25 MLA's were convened to the original session in 1906, when, Mr. Cashman said, it was reported the member from Peace River drove a moose team all the way. Complete with names of sportsmen, politicians and characters and dates of events, Mr. Cashman's account was a fun way to learn more about Alberta history.

He was thanked by Mr. Parker and presented with a sketch done in 1877 by Father Emile Petitot O.M.I., while Mrs. Cashman received flowers in appreciation from the Historical Society. Mr. Parker also thanked those responsible for arranging the banquet: Arlene Borgstede, Bill and Sally Oakes and Leon Carter.

Following the annual meeting proceedings Mr. Ian Patterson auctioned off an array of old articles from original beer bottles with dated labels and without to provide glassware sets, books, pennants etcetera, which would add a little something to the Society's coffers and provided lots of fun for the good crowd in attendance at the Club Mocombo.

CARD OF THANKS

We would like to take this opportunity to thank all those who took part in our mother's 100th birthday party. Special thanks to the sisters and the staff of the Youville Home, the Youville W.I., Dr. Reddington, Mr. Jamison, and all who sent flowers, cards and gifts to remember her on her birthday.

**GEORGE AND CLARENCE HEPBURN
AND THEIR FAMILIES.**

Peter Muzichuk's 80th birthday

A family gathering celebrated the 80th birthday of Mr. Peter Muzichuk at his home in Boyle, Alberta, on February 14. His four children Ann Bilowus and Vera Soroka of Boyle district, and Nick and Paul Muzichuk of St. Albert were all present, along with his sons-in-law, daughters-in-law and most of his 11 grandchildren and two great grandchildren for the happy occasion. Special guests were Mrs. Eva Gijdos, mother of Paul's wife, Lillian, and John and Annie Semenik, long time friends and well-liked people of the Boyle district.

A delicious supper was prepared by Peter's wife Praksa and served in their home.

Mr. Peter Muzichuk was born on February 14, 1896 in a farming district in the Ukraine, approximately 500 kilometers west of Kiev. He served with the allied forces during the first world war. After the war Mr. Muzichuk returned to the fertile soils of the Ukraine where he farmed and later married Praksa. Daughters Ann and Vera were born there and the family immigrated to Canada during 1929, looking forward

to a more opportune and prosperous life.

This did not materialize as expected, as Peter arrived too late to establish himself before the onset of the dry thirties.

Mr. Muzichuk homesteaded near the village of Boyle, and in spite of hardships too numerous to mention, became a successful farmer. He retired from farming in 1959 and has resided in the Village of Boyle as an active oldtimer ever since.

Some of the highlights of the evening were Mr. Muzichuk telling stories about the hardships he and his family endured in the Ukraine and the sentiment of leaving his parents, brothers and sisters upon their departure for Canada, which now remains only a memory.

Mr. and Mrs. Muzichuk visited the Ukraine during 1975 for the first time in 46 years and found only his sister to be alive of the family he once knew. The other relatives were like strangers, as he had never seen or communicated with them.

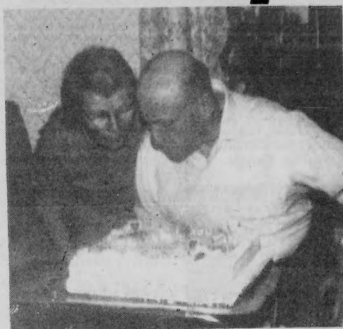

Peter further went on to tell how he worked for 50¢ an hour and brought his own lunch, and was lucky to have a job. Later he left Praksa

and his daughters to tend the homestead while he embarked on foot for Flin Flon, Manitoba, to earn some very much needed cash. He was successful in this venture and on his return was able to purchase a horse and a cow which provided transportation and milk for the family.

He also reminded his family and friends that a few years later he had three steers over 1,000 pounds and couldn't sell them because the slaughter fees were more than the price he was able to get for them. Speaking with tears in his eyes, he said he pleaded with a neighbouring farmer to pay him \$5 for each steer so that he could buy the necessary clothing to survive the winter. Needless to say the neighbour complied.

Upon checking his resources he decided it was time for a large family and the eldest son Nick was added to it and seven years later Paul arrived. Both sons now reside in St. Albert.

Mr. Peter Muzichuk expressed that such a family reunion was the dearest thing to his heart, and he is now looking forward to a bigger and even better birthday next year.

Peter Muzichuk is aided by his lovely wife Praksa in blowing out the 80 candles on his birthday cake at a family celebration held in Boyle on February 14th to honour Mr. Muzichuk on his birthday. Along with the cake a gift was presented on behalf of the family by youngest grandchild, Darren Muzichuk seen at right, and grandson Bill Muzichuk, both of St. Albert.

Brief on lunch policy to go to parents

A light agenda faced the trustees of School District No. 6 on Wednesday, February 25th. In the absence of Bill Weber, Trustee Dr. W. Cuis acted as chairman.

The parent proposal to achieve an open lunch policy which had been outlined at the previous board meeting (by representatives of parents of Robert Rundle and Sir George Simpson Schools) came under discussion by trustees. Trustee Don Munro moved that the recommendation by Superintendent Elmer Gish be approved; that the Parents Committee brief and questionnaire be distributed to all parents of children attending the two schools.

Trustee Murdo MacFarlane spoke against this motion. He felt that the board already has a lunch policy. He made reference to the general education questionnaire which had been sent out by the district last spring to all schools. Mr.

MacFarlane also did not think that the board should gather information for an outside party (the parents committee).

Trustee Shirley McCaffery wanted the material circulated to the parents of all schools in the district, not only Rundle and Simpson schools.

The motion by Mr. Munro was put to the vote and carried with Trustees Cuis, Munro and McCaffery in favour and Trustee MacFarlane against.

More coaches

A new coaching development program for Alberta has been announced by Allen A'Gair, minister Alberta Recreation, Parks and Wildlife.

The program, aimed at providing the province with a greater number of well-trained coaches at all levels of amateur sport organization, will be offered at various locations throughout Alberta.

The courses will include the theoretical aspects of coaching as well as the practical skills and strategies of specific sports. The sports and fitness branch of Alberta Recreation, Parks and Wildlife will be responsible for the theory portion of the program and provincial sports associations will provide the technical and practical aspects.

The program is part of the National Coaching Development Program. In order to be certified, a coach must gain practical experience by applying the technical and theoretical knowledge learned in the courses.

Two additional higher levels to the coaching development program will eventually be offered at the national level.

Home Care Program explained

Guest speaker at the Nurses' Interest Group meeting on February 18 was Dr. Pat Rose, medical advisor for the Edmonton Home Care Program.

The program began in the fall of 1974. Patients are referred to the program by hospitals and the community.

HOME CARE PROGRAM

The home care program aims to provide health and supportive services appropriate to meet the needs of persons who are ill, incapacitated or recuperating at home. The program provides for individual assessment of needs, arrangement of services, and coordination and ongoing supervision of the plan.

Qualifying or basic services available through the plan include visiting nurse and/or orderly, physiotherapy, homemaker (responsible for complete operation of the household and mother replacement), home help (housekeeping).

Ancillary services available after qualifying for the program include occupational therapy, nutrition consultation, laboratory services, supplies and equipment, transportation, counselling and referral to appropriate community agencies, drugs and dressings (on hospital discharge), and arrangements for meals on wheels, friendly visiting, library services for the homebound, and handyman (minor home repairs and yard maintenance for those over 65 years of age).

WHO IS ELIGIBLE FOR HOME CARE

1. Persons residing within the Edmonton city limits.

2. Any person whose condition is such that he can be treated adequately at home with the services provided through the program and family support available in the home.

3. Anyone requiring a basic qualifying service (i.e. nursing, orderly, physiotherapy, homemaker, home help) where it would prevent or reduce institutionalization.

4. One must be under medical supervision when a health service is required.

5. The applicant and his family must be willing to participate in the program.

ADVANTAGES OF HOME CARE

Selected persons are able to remain at home if sick or disabled (if appropriate for home care); services are provided in the home setting

where one is often more independent, comfortable and content, offering an environment conducive for rehabilitation and recovery; hospital beds are made available for those who are acutely ill or require more intensive treatment; health and supportive services in the home may prevent a crisis situation leading to

institutionalization; supportive help is given to families in coping with long-term illness; aid to adjust in home environment following surgery, extended hospitalization, and recent disability or handicap; one central contact for multiple home services and follow-up reports.

The Nurses' Interest Group supper meeting on

Tuesday, March 16, at 7 p.m., at the St. Albert Inn. Guest speaker will be Dr. Reid on Emergency Care of a Cardiac Patient. A film will be shown and a demonstration of mouth to mouth resuscitation will be given. If attending, please phone A. M. Maruyama at 459-3484 no later than March 12, 1976.

New goals discussed for Craft Guild

The St. Albert Craft Guild held a very successful forum on Saturday, February 28, in which the future of the Guild and internal policies were discussed.

About 35 people were on hand at Sir George Simpson School for the all-day meeting. Resource people from visual arts, Parkland recreation, City of Edmonton recreation, St. Albert recreation and the Department of Culture were available to offer advice and guidance as plans and ideas were brought forth.

Previously the main purpose of the Guild was to organize and conduct the arts and crafts classes. When this job became too big for the Guild to handle, it was taken over by the recreation department of the town.

The town presently owns the Arts Centre, but the equipment belongs to the Guild. The Guild is presently making arrangements with the town concerning the use of the equipment and the allocation of space and time. This is of particular importance to the potters and weavers in the Guild who require the use of this equipment.

Many ideas were presented as possible undertakings for the Guild in the future. Some of those mentioned include: one-man shows, a craft fair, an outlet for supplies and products, a scholarship fund for people wishing to go to Banff for further studies, and a travelling exhibition of work by local artists.

It was felt that the annual craft fair should be continued and the money obtained should be used to start a building fund. The decision to provide their own building

was prompted by the recent rejection of the recreation complex.

At present all Guild activities are organized by a board of eight members. Greater participation by Guild members was felt to be essential for a more cohesive group. Two committees were formed, one to look into the

feasibility of a new building, renovations or additions to the old one or other alternatives; the other to investigate internal problems, discuss the present organization and plan another meeting to carry this discussion further.

Those who attended this meeting left with a feeling of

accomplishment. Although no definite decisions were made, many excellent ideas were discussed and much enthusiasm was generated. A future meeting is being planned in order to consolidate the information gathered by the members and the two committees now at work.

I'm an astronaut... Something must be done

It's the year 2000 and the world is worried. The Earth is becoming over polluted and the population is out of control. It is too bad that people are killing each other in cold blood to make more room. The Earth was no longer safe.

I'm an astronaut and I know something must be done to save our small planet Earth. "I've got it! We'll make a colony on the moon."

Canada and the United States are each sending up two specially equipped rockets to build a moon colony. The idea spread quickly throughout the world. Everyone wanted to buy a ticket.

Canada's rockets would leave first, then the United States would follow. The Canadian rockets made smooth take offs and they landed on the moon in one day, right on schedule. The American rockets arrived two days later.

Soon the two countries were busy setting up the colony. The colony would cover three-quarters of the moon's surface. The two countries got a surprise when they discovered a moon creature. It was green and had fangs but it was very friendly. The creature made good guides for the colony.

After a few months the colony was completed. The Earth was saved and the moon creatures had a new place to live. This would not have to happen if people would think twice about polluting the Earth. If something is not done soon this may become a true story.

The above essay won 11 year old Lyle Arnason a trip to the Legislature as minister of education. Well, he has to share the honour with two other Alberta students, and it will only be for one day, but it is quite an honour, and quite an accomplishment. Lyle and his teacher, Mr. John Osgood, will be guests

of the Honourable Julian Koziak on March 4, at which time, they will be given a tour of the Legislative Buildings and an opportunity to observe the Legislative Assembly hard at work conducting the business of the Province.

Back in January, Lyle entered the province-wide

LYLE ARNASON

essay contest which was open to all students in Grades IV, V and VI. He came out on top in his school, and his essay won him the district finals as well as the Northern Zone final, which includes Edmonton and all points north.

The essay itself, was on the topic, "My World Tomorrow," for which Lyle obtained ideas from a number of his favorite science fiction books and also from various television shows on the subject. The essay had to be 150 to 200 words in length, and was judged on correct punctuation and spelling, logical presentation, good vocabulary, style, with the overall emphasis on creativity.

Lyle expresses quite an interest in science, but hopes to go on to become a policeman. His dad, a guard for the Royal Canadian Mounted Police, commented to the Gazette that Lyle undertook the project by himself, with no prodding from his family.

"Lyle is very studious and brings home all types of books, not just on science fiction, which he spends a fair portion of his time reading," Mr. Arnason said.

"I have a number of good books on the subject of space, UFO's and related topics, which Lyle has enjoyed reading," added Mr. Arnason.

"We are all very pleased with Lyle's ideas and work," he concluded.

NOTICE OF PUBLIC MEETING

BOARD OF TRUSTEES

ST. ALBERT SCHOOL DISTRICT NO. 3

The annual Public Meeting of the Electors of the St. Albert Public School District No. 3 will be held as indicated below:

WEDNESDAY, MARCH 17, 1976

News from the
St. Albert Public Library

By Margrit McCreath

This week we would like to introduce you to a lady at the library you should all meet - Mrs. Effie Nelson. She has worked for the federal government's Department of National Health and Welfare in Edmonton and as a school teacher in the school divisions of Peace River, Athabasca and Westlock. After being employed as a private secretary to several school board superintendents in Athabasca, Mrs. Nelson came

me to the St. Albert Public Library three and a half years ago. She is the library technician and a person of many talents.

Her duties include administering all technical services such as classifying and cataloguing, being the liaison person with the school librarians, doing all office accounts and inter-library loans, acting as library board secretary, and supervising the staff. On some days you can even catch Effie (as she is known to most of us) operating the television cameras at the Capital Cable Studio or designing posters

and signs to decorate the library. Since last September Mrs. Nelson has been the acting librarian, a duty she has conscientiously taken on and will continue until a new librarian is hired. As if all this weren't enough to keep this energetic gal going, she's off to Edmonton two nights a week to take library science courses at Grant MacEwen Community College.

Effie is the mother of two teen-age daughters, Karen and Korie. We're glad the Nelsons' came to St. Albert and that we're lucky enough to have Effie at the library!

MRS. EFFIE NELSON

Good month for St. Albert Cadets

By Cpl. Sandy Dynes

St. Albert Air Cadets have been busy all month with tours around Edmonton and special parades for the winter carnival at Canadian

Forces Bases, Namao and Griesbach.

Tours consisted of a trip to the Queen Elizabeth Planetarium and Bulletin Printers. St. Albert Air Cadet Band

and Color Party were in attendance at the opening ceremonies for the winter carnival at Namao and Griesbach. Here they displayed their musical talents

despite the chilly weather and icy road conditions.

On the same weekend, the cadets were involved in the delivery of the Edmonton telephone directories for the St. Albert area.

Despite the good weather for the last three weeks it did not last long enough for the Helicopter Familiarization Training for cadets which was cancelled because of bad snow conditions. And the final deliveries of the Edmonton directories had to be carried out in snow.

Other tours are being planned and several weekend outings are also forthcoming.

In the immediate future scholarship cadets are going to Canadian Forces Base, Penhold, for selection boards where cadets are to be selected for flying, gliding, leadership and technical training.

The St. Albert Air Cadets wish to thank the St. Albert Lions Supper Club and parents who provided transportation for the telephone directory deliveries.

French-Canadian dances taught at "Les Tournesols"

"Les Tournesols," Bilingual Playschool students have enjoyed a cultural enrichment program throughout 1974 and 1975, but

during the month of February they have been treated to lessons in square dancing and jigging in the French-Canadian way.

" WE DO TUNE UPS "

NUTRITION TODAY

The final article on the 'Guide to Good Eating' discusses each of the four food groups in detail.

If you wish a copy of the 'Guide' drop in to the Sturgeon Health Unit and pick one up, free of charge.

MILK & MILK PRODUCTS

This group is an important

source of protein, riboflavin, vitamin A, vitamin D and especially calcium. The basis for the serving size of the different foods mentioned is primarily the calcium content.

Since not all people like to drink milk, other milk products including cottage cheese, yoghurt, firm cheese

and ice cream are noted. Rather than put cheese under the meat group, even though it is a good protein source, it has been placed under the milk group because it is an excellent source of calcium. As well, it is pointed out that milk need not only be a beverage, but can be used in soups, puddings and sauces.

sufficient to warrant special mention.

MEATS & ALTERNATES

The meat group is an important source of protein, iron, riboflavin, thiamine, niacin and vitamin A.

Canada's Food Guide specified one serving of meat, fish or poultry and in addition, eggs and cheese each at least three times a week. The new guide suggests two servings from this group and gives more choices of protein foods.

Liver, though high in nutrients, has not been noted specifically under this group since its usage does not appear to be frequent enough to warrant separate mention.

The increased use of plant proteins in place of or in addition to animal protein has been acknowledged in the Guide to Good Eating.

CEREALS, BREADS AND PASTAS

Whole grain and enriched products in this group are

important sources of riboflavin, thiamin, niacin, iron and fiber.

This food group has been expanded to include three servings of cereals, breads or pastas rather than one as specified formerly. The guide notes that foods within this group should be whole grain or enriched. While both are nutritious, the whole grain products contain fiber and trace minerals which are not found in the enriched products.

The importance of vitamin D to growing persons and expectant and nursing mothers is noted at the bottom of the guide. Since all milk and margarine is not as yet fortified in Alberta, fortified milk and margarine is specified. The vitamin D requirements can be met if these vitamin D fortified foods are included in the diet in the recommended quantities.

Close scrutiny of the new guide will show that the requirement for iron for people ages 10 to 19 years, adults and pregnant women, will not necessarily be met

every day. Therefore, it must be recommended that common food sources of iron include: liver, red meats, dried peas and beans, green leafy vegetables, dried fruit, egg yolks, whole grain and enriched cereals, flours, breads, and pastas.

The Guide to Good Eating provides a good basis on which to extrapolate on many nutrition related subjects such as food buying, low cost nutrition, food enrichment, and weight reduction.

Guide to Good Eating sheets are available in quantity from Nutrition Services, Division of Local Health Services, Social Services and Community Health, Fourth Floor West Administration Bldg., 10820 - 98 Ave., Edmonton, Alberta. TSK OCM.

It is hoped that the three articles on the 'Guide to Good Eating' have provided a basis for planning wholesome, nutritious meals.

Future articles will discuss the special diets which are necessary for adolescents, expectant mothers and the aged.

1975 traffic deaths

Out of 511 traffic fatalities in Alberta last year, two occurred in St. Albert according to the Alberta Safety Council.

There were 415 accidents in which at least one person was killed. RCMP reported 392 deaths, Calgary 60 and Edmonton 34.

Other centres reported a total of 25 deaths with nine in Lethbridge, four in Red Deer, three in Drumheller and two each in Medicine Hat, Grande Prairie, Fort McMurray and a single death in Hinton.

Those killed included 265 drivers, 169 passengers, 60 pedestrians and 13 motorcyclists and two bicyclists.

Total accidents in the province reached 71,599 compared with 65,928 the year before. Only Medicine Hat and Wetaskiwin reported fewer accidents than the previous year.

There were 46 fewer deaths than the all time high of 577 reported by various police departments in 1974.

Injuries were down 11.4 per cent at 10,204. Those occurring in the urban area during 1975 involved 1,959 drivers, 1,762 passengers, 568 pedestrians, 238 motorcyclists and 169 bicyclists.

Property damage reported in 1975 totalled \$62.5 million, up \$11.1 million from the previous year.

St. Albert High Soundings

By Jeannane Kathol

STUDENT UNION NEWS

School T-shirts are finally in! School jackets will be in before March 23, and Student's Union is paying for everyone's mickey pocket. Bands have been booked for two dances coming up: Lash Larue for the election dance on March 22, and the Right Direction (who played at last year's Grad) for the spring prom on April 30. A CHED sock-hop is scheduled for April 7. Next week, a full

report on the Gold Rush Days activities held on Tuesday, March 2, will be given.

EDUCATION WEEK

This is education week across Canada, March 1 - 7. As mentioned last week, several activities are sponsored, including parents' Open House, Gold Rush Days, Grade Nine Orientation and a presentation by Al Oeming. An information letter with more details has been sent home with the

students. In addition to these activities, the school library has dropped all overdue book fines in honour of education week.

MOVER'S NEWS

There's a St. Patrick's Day dance on March 19. The Share Lent Walk is being organized. CYV is beginning their important spring training this week with religion-teaching at Father Jan. Come out and support the Mover's Gather-Ins on Sat-

urday nights!

WRESTLING

Congratulations to Colin Wear, Alex Beze and Gary Van Brabant who competed in the provincial championships in Camrose on Saturday the 28th. Colin and Alex both placed second in their respective weight categories and Gary placed fifth in his.

PHYS ED 30

Our fun-loving phys ed 30 class is having a winter campout at Makwin Lodge on March 15 and 16. There is a joint ski trip between the phys ed 30's and the SAHS Ski Club to Marmot for two days beginning March 20. Anyone having old phone books may contact the school for pickup; profits from the phone book drive go to supporting phys ed 30 excursions.

YEARBOOK

The taking of grad por-

traits is completed. Many grads are curious as to which of their four proofs will appear in the yearbook. Grads are asked to indicate their choice of proofs to the yearbook committee. Otherwise the yearbook will have to make the choice for the individual. Do grads desire a group picture on May 21, the date of the grad? This is the yearbook committee's most recent problem.

FRENCH CLUB

Lynne Skow is president and Elaine Berglund secretary of this newly-formed school club. The club meets Wednesday noon hours to

sample fancy French cuisine prepared each week by two different members. The recipes of these exotic French dishes are exchanged and the techniques discussed.

SPRING BREAK

During the spring break, from March 27 to April 4, many students are planning private ski trips to the mountains and the like. For all high school students without such plans, the Pioneer Lodge is offering a weekend excursion. Pioneer Lodge is located 10 miles southwest of Sundre (near Calgary), and sponsors several camp-type activities.

Zone 2 trustees meet with MLA's

The meeting between the Table Officers of Zone 2, Alberta School Trustees' Association and the MLAs representing the constituents of the school jurisdictions in the Zone held on Feb. 24

produced a poor turnout of MLAs.

The regular weekly meeting of the Cabinet and the late return of MLAs attending the P.C. Leadership Convention in Ottawa were among the main excuses for

non-attendance.

MLAs present were Frank Appleby, Athabasca; Gerry Amerongen, Edmonton-Meadowlark; Rusty Zander, Drayton Valley and John Ashton, Edmonton-Ottewell. Twenty-six invitations to the MLAs were sent out. A very good discussion and exchange of views took place on such topics as the Government's 11% ceiling on expenditure; the new formula on school bus transportation grants; the level of Provincial assistance in new school construction and the withdrawal of the grant refunding the employer's portion of UIC payments for teachers. Secretary-treasurer, J. Cameron, for Zone 2 ASTA reports that the MLAs were asked to take special note that the Province's promise of an 11% increase in grants for education was working out only at approximately 8% in most cases.

Education Week plans at Nickerson

Leo Nickerson School invites parents to attend the Nickerson Science Fair and Open House from 7 p.m. to 9 p.m. on Wednesday, March 3. Grade 4 to 6 student projects which were developed during February will be judged in classrooms with four finalists from each room being selected to display their works in the gymnasium. There they will be assessed by external judges in the afternoon with the winning entries going to the Edmonton Regional Science Fair. The student owners of the projects will be on hand to explain them to parents.

At the same time the rest of the school will be open for browsing. Classrooms will contain displays of student work, special projects and educational materials being used.

On Friday morning, the last day of Education Week, teachers will open their classrooms for parents to drop in for observation of classes in progress as they proceed in a normal every day fashion. No attempt will be made to entertain or even talk to parents who will come and go with the clearly expressed understanding that classes will not be interrupted in any way on their behalf.

Council Briefs

Following are some of the highlights from the regular meeting of St. Albert council last Monday night. Mayor Dick Plain was in the chair and all councillors were present.

NO COMMITMENT on Tier 11 hockey in St. Albert came from council as it moved receipt of a letter from manager of the St. Albert Standard Generals T. White. Councillor Rod Thronson asked if there had been any formal proposals

made to council on Tier 11 hockey; Mayor Dick Plain replied that one individual had been in to discuss the matter, but that the matter would have to go before the Parks and Recreation Board. The letter from Mr. White objected to this kind of hockey in St. Albert as it was felt there was not enough hockey talent to field a competitive team.

Two St. Albert boys had played Tier 11 hockey last year and the letter said they 'quit because of the rough,

chippy type of hockey."

The St. Albert Standard Generals want the people of St. Albert to be given a chance to voice their opinions before any decision by council is made.

COUNCIL RECEIVED a letter from the University of Alberta Faculty of the Extension which is offering two more workshops in the Forum Series - Legal and Financial Considerations for Subdivision Development and Control. Council mem-

bers or employees interested in going to the Forum are asked to register early in the program of their choice.

TOWN ADMINISTRATOR Bob Byron will attend a meeting in the library of the Bon Accord School March 6 to establish two area ambulance boards for Sturgeon and Thorhild.

The role of the boards will be to develop and administer ambulance services in their respective areas.

With budget time approaching and St. Albert studying the feasibility of a regional ambulance service Mayor Dick Plain felt there was a need to attend the meeting to find out about costs and what kind of service was being offered by the St. John Ambulance.

Registered emergency paramedics, Garry Alford, director of the Brooks and district ambulance service and Erich Rast, director of the Grande Prairie and district ambulance service will be on hand to inform delegates on various technical details.

COUNCIL GAVE THE go-ahead for a one night blitz canvas of St. Albert, May 5, by the Edmonton Association for Retarded Children, (sponsors of the Winnifred Stewart School). A letter to council from the Association says that a successful campaign is essential to supplement grants from the Government. These provide about 80 per cent of the revenue needed for the operation of the school and other projects for the mentally handicapped.

THE PROVINCIAL GOVERNMENT seems to be

pressing on the right side of the fence for a better deal in municipal police contracts.

A letter to this effect from the Department of Municipal Affairs says that when the current Federal-Provincial agreements for policing the provinces and municipalities ends March 31, costs will go up by six per cent for municipalities by the end of 1981.

At present each municipality pays 50 per cent of the cost of its first five constables and 75 per cent of the cost of each additional constable.

The provinces want a policing agreement to extend till 1986 with a cost sharing arrangement of 50 per cent - 50 per cent for all members regardless of number.

Mayor Dick Plain pointed out that St. Albert has now 2,000 more people to protect than formerly, and Councillor Margaret Smith wanted to thank the provincial government for its efforts for a fair deal in policing costs.

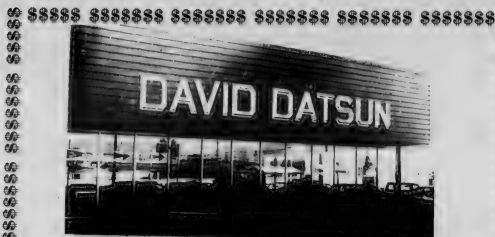

She said that if the same (level) of service was maintained as last year more would have to be paid out of property taxes in the town.

She wanted to know what would have to be done to reduce the impact of the Federal economies to St. Albert.

A LITTLE BIT OF TIDY-ING up has yet to be done on St. Albert's application to annex 10 sections of land to increase the town's tax base. Four small parcels of land will likely end up in the 10 sections to avoid split titles "which would cause considerable problems for the particular land-owners involved."

MAYOR DICK PLAIN has been appointed as the regular representative to the Edmonton Regional Planning Commission for St. Albert and will be at the organizational and annual meeting of the ERPC.

ON AND FROM JAN. 3, employees of St. Albert not covered under the terms of a collective agreement will get a 10 per cent salary increase. Some employees will be restricted to the ceiling established under the anti-inflation program.

Did you know that not only do our licensed mechanics service Datsun but other models and makes also. Whether it be a motor overhaul, lube, safety inspection tune-up etc. we can fix it.

**Pastor Billy Heath
First Baptist Church**

Dog-sled races at the Lion's Winter Carnival were most exciting. It took eight people to keep 10 dogs in line for one of the teams starting signal. The 13 mile run was covered in a little over an hour. After the race some of the dogs just sorta flaked out like an eagle spread to rest. If Christians would put as much into the race of life as these teams, what a better word we would have. The Bible writer in Hebrew says, "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily beset us, and let us run with patience the race set before us. Looking to Jesus the author and finisher of our faith; who for the joy set that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

The apostle Paul in his letter to the Galatians states, "Ye did run well; who did

hinder you that ye should not obey the truth?" For the old saints that is continually doing the will of God the scriptures say as recorded by Isaiah, "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

Going back to that Winter Carnival, it was so refreshing since it was not a big commercialized event. Everything was free, the whole family could come and enjoy it. The Lion's and many local businessmen had underwritten the cost.

THE LIQUOR LICENSING ACT

PUBLIC NOTICE OF APPLICATION FOR CLUB LICENCE

Public notice is hereby given that the Royal Canadian Legion, Branch No. 271 intends to apply to The Alberta Liquor Control Board for a club beer licence (club liquor licence) to sell beer by the glass or open bottle (to sell liquor by the glass) to members thereof for consumption on the following described premises:

ROYAL CANADIAN LEGION, BRANCH NO. 271
ST. ALBERT, ALBERTA
LOTE E BLOCK 2 PLAN NO. 762-0139

Objections to this application shall be made forthwith to The Alberta Liquor Control Board, Edmonton.

Dated at ST. ALBERT, Alberta, this 25th day of February, 1976.

STANLEY R. WINTER
SECRETARY.

St. Albert Safety Council

The St. Albert Safety Council met on Tuesday, February 24. A letter of resignation from the position of chairman had been received from Mr. Stan Mill. Owing to the hours he is presently working, he finds it impossible to attend meetings. He will, however, continue as a member of the Safety Council, hoping to take a more active part when his hours of work permit.

It was moved and passed unanimously that Mrs. Betty Pimblett take over as chairman. Mr. Len Hobson was unanimously elected the new vice-chairman.

BLOCK PARENTS

New applications are still being received in St. Albert. Our co-ordinator Lawrence Johnson, who has helped to get the Bon Accord group organized, is now doing the same in Morinville. He is also just starting to get things organized in Westlock. Lawrence is to be congratulated for the hard work he is doing for the Block Parent program.

SCHOOL BUS BRIEF

A letter has been received from the principal of Leo Nickerson School, supporting the brief, as recently set out. It is hoped that more schools and interested organizations will follow this example and build up as much support as possible.

ST. JOHN'S AMBULANCE FIRST AID COURSE

There has been a good response to this, and enough registered to hold a good class. Further courses will be held if this interest is sustained.

CANADIAN MENTAL HEALTH ASSOCIATION

At 7:30 p.m., prior to the Safety Council meeting on Tuesday evening, Betty Pimblett, Maureen Heuchert and Len Hobson met with Mr. Walter Coombs of the Canadian Mental Health Association in a half-hour program on Cable 5 - Capital Cable TV. Mr. Coombs proved to be an interesting speaker and the program went smoothly as Mr. Coombs answered questions put to him by the Safety Council members.

ALCOHOL & DRUG ABUSE COMMISSION

AADAC had been contacted with the suggestion that they continue their pro-

gram with one on general safety, including a film on the Block Parent program. This meets with their approval and a date will be arranged, as soon as the Block Parent film has been obtained.

HOCKEY INJURIES

At the Safety Council meeting on Jan. 27 there was discussion on the need for all children playing recreational hockey to wear helmets. Since this time there have been a number of children taken to the Sturgeon General Hospital as a result of injuries sustained while playing hockey. On a recent Saturday, of 12 children taken to the Hospital, three were admitted. Of these 12 injuries, seven were in the eye region. Injuries in this area, though not in the eye itself, can nevertheless cause serious and lasting damage to the eye.

Surveys done by the Canadian Medical Association show that, of all eye injuries received in the 11-15 year old group, 15% are legally blind in that eye following the injury. Most of these injuries are due to high-slicing. This points up the need for more protection -- by using helmets with eye protectors -- and for more stringent enforcement of the rules.

The situation as it applies to St. Albert is to be studied further.

TRAFFIC SAFETY

Some hazardous traffic areas were discussed. These will be checked out by Betty Pimblett and Len Hobson and put on the agenda for the next meeting before any recommendations are considered.

DEFENSIVE DRIVING

The Safety Council regretted the need to cancel the February course, but as the shortage of the course equipment arose at the Alberta Safety Council, there was no alternative. The shortage at least is an indication of the number of additional courses now taking place.

The next course in St. Albert will commence on Tuesday, March 16 at 7:30 p.m., in the French Room at Sir George Simpson School, and continues on March 18, 23 and 25.

The next Safety Council meeting will be on Tuesday, March 9 at 8 p.m., at Robert Rundle School. The meeting is open to all who are interested.

Millman-Courtepatte exchange vows

Mr. and Mrs. Syd Courtepatte were photographed as they signed the register after their wedding, October 11, 1975 in First Baptist Church, Edmonton.

The bride, Teresa Millman and her father Earl Millman proceeded down the aisle to the traditional wedding march.

The bride's gown and veil were designed and sewn by her cousin, Miss Pat Menzies, a graduate in dress design. The dress was of polyester satin and floored

nylon tulle. It featured an empire waistline, with princess lines flowing into a graceful train. The sleeves were free at the wrist. The bouquet was a harvest burst of orange and bronze carnations and roses, carried on the bride's arm in a presentation bouquet. The coronet securing the veil of flocked nylon tulle had been worn by the bride's mother.

The bridesmaids were Sandra Millman, sister of the bride and Jane Courtepatte, sister of the groom. Their

dress were also designed by Miss Menzies and featured empire waistlines and elbow-length bell sleeves. They were of polyester satin, cream-colored with small flowers of autumn shades. Their presentation bouquets were of yellow and bronze mums and shasta daisies.

The bridegroom wore a white dinner jacket with black trim, white ruffled shirt and black trousers. The best man, Mr. Richard Turner and the groom's brother, Mr. Darryl Courtepatte wore black suits and white ruffled shirts with white carnations in the lapels.

Mrs. Millman chose a floor length soft knit in light green with cream and rust-toned flowers. The groom's mother Mrs. Stepeke was charming in a sleeveless salmon-colored full length gown.

The bride's grandmothers, Mrs. C. Hodgson of Edmonton, and Mrs. B. Millman of Strathclair, Manitoba were ushered to their pew by Mrs. Hodgson's grandson, Mr. David Maudie. Mr. Tom Strassen was also an usher.

During the signing of the register, Mr. Tom Millman, uncle of the bride, sang "The Wedding Prayer."

A reception and dance for relatives and friends was held at the St. Albert Community Hall. The guest book was looked after by Blaine Millman, younger brother of the bride. Mr. Sid Millman, uncle of the bride, was an able master of ceremonies. The Rev. E. M. Checkland offered grace. Mr. Ron Hodgson, uncle of

the bride, proposed the toast to the bride. Mr. Tom Turner proposed a toast to the groom. Out of town guests of the bride were her paternal grandmother, Mrs. Bessie Millman of Strathclair, Manitoba, great-aunt Margaret Underhill of Winnipeg, great-uncle Arthur Underhill of Strathclair, Manitoba, Mr. and Mrs. Sid Millman and children, Edwin and Marianne of Kelowna, Mr. and Mrs. Ron Hodgson of Victoria, B.C., Mr. and Mrs. D. A. Menzies, Miss Pat Menzies, Mrs. Terry Tange, and Mr. and Mrs. Ken Watson, Mr. and Mrs. Arthur Cramer, all of Calgary. Friends of the groom were Mr. and Mrs. Tom Turner of Cold Lake, Messrs. Mark and Bill Cunningham of Nestow. The groom's god-parents, Mr. and Mrs. Al Ginther, and daughter of Barrehead, Mr. Lenord L. Hodgson of Vancouver, and Mr. and Mrs. Mitchell of Calahoo.

The music of the Golden Allos entertained the guests, dancing and listening, bringing to a close many happy preparations for the wedding

celebration of the bride and groom.

Mr. and Mrs. Courtepatte are living in Edmonton.

MR. & MRS. S. COURTEPATTE

ANNOUNCEMENT

The monthly meeting of the St. Albert Fish and Game Association will be held at 8 p.m., March 9, 1976 in the Community Hall.

Bill Wishart, a research biologist with the fish and wildlife division will be guest speaker. Mr. Wishart will be discussing and showing slides on the following topics:

- 1) Goose transplanting
- 2) Legalities of big born sheep hunting

First Brown Owl honoured by 1st Brownie Pack

The lady who opened St. Albert First Brownie Pack, Mrs. J. S. Hitzlberger, attended the 20th birthday of her Pack Friday evening.

The anniversary was observed at Sir Alexander Mackenzie School with the current leaders and pack members as hostesses.

With Mrs. Hitzlberger was her daughter Judy. Mrs. Gerry Cholewski, one of the original First Pack brownies. Mrs. Hitzlberger and her daughter now live in Fort Saskatchewan.

Miss S. Zyha, Edmonton, another first St. Albert brownie was among the guests, as were former leaders, or Brown Owls, Mrs. J. C. Dobbie, Mrs. Joan Parkins and Mrs. Jean Kane.

No brownie or guide groups were in Wetaskiwin when Mrs. Hitzlberger grew up there, but she read about them and about the Ameri-

can Girl Scouts whenever possible.

In January 1956, married, with four daughters and living three miles southeast of St. Albert (near the present traffic lights at the 137th St., intersection of St. Albert Trail) she attended a parents' meeting in St. Albert to consider opening Brownie packs and Guide companies.

Mrs. Hitzlberger volunteered to act as leader for the brownies. Mrs. Henry Genereux, with a recent background as Tawny Owl, or assistant leader, in Edmonton, became her assistant. St. Albert First Brownie Pack opened in early February 1956. The group met in the Community Hall Saturday mornings for two hours. Sixteen girls attended the first meeting. Mrs. Hitzlberger recalled, and six more had joined a month later.

Shortly after these six girls

joined, Mrs. Hitzlberger turned the pack over to Mrs. Genereux. Mrs. Teresa Gagnon became Mrs. Genereux's assistant.

Two years later family obligations interrupted Mrs. Genereux's service and Mrs. A. P. Brunner went to the aid of the group.

Age requirements for Brownie leaders effected the shift of Mrs. Dobbie from First Guide Company (begun in March 1956) where she was assisting Mrs. Kay Rossiter, to leadership of First Brownie pack. Mrs. Brunner continued as her assistant. Mrs. Dobbie remained with First Brownie Pack for 11 years and tested for badges afterward.

The history of First Pack also includes among its leaders Mrs. Mervyn E. Harvey, Mrs. A. J. Cairns, Mrs. Kitty Blackie, Mrs. Alice Lamb and Mrs. Faye Riley. The latter three are no longer St. Albert residents.

Town of St. Albert

The Town of St. Albert requires a **Senior Stenographer** for the Town Clerk.

Duties include assisting in preparation of agendas, co-ordinate and supply to Council, Committee and Board members necessary copies of agendas, minutes and relevant correspondence.

The successful applicant must have a typing speed of 60 w.p.m., and be able to take dictation and minutes of meetings as required.

Term: Permanent

our children's future cut now, pay later

Spending for educational programs drastically

cut...

why?

In September the Government told you of an 11% increase for Education — teachers pointed out this did not even cover the cost of inflation and made no provision for quality improvement.

now

The truth is out

- | | |
|---|---|
| Grants for special education teaching of severely handicapped — plus 5% | Learning disabilities fund — plus 7% |
| Grants for resource rooms and mildly handicapped — 0% | Early Childhood Services grant (regular classes) — plus 10% |
| Small school assistance grant — 0% | Declining enrolment grants — 0% |
| | Grants for extension programs — 0% |
| | Grade I-XII per pupil grants — plus 11% |
| | U.I.C. (employer share) — minus 100% |

The overall increase is lower than the inflation rate even though there are more children.

Inserted in the public interest by the teachers of Alberta

News from Paul Kane

By Carolyn Seitz

The school year at Paul Kane is now more than half over, but, belated though it may be, I will make the attempt to record some of the events that have highlighted school activities.

Recently, Paul Kane, along with the other high schools, both junior and senior, held a contest within the ranks to elect a school queen. P.K.'s contestants were Helen Riley, Cathy Husband, Linda Burgess and Louise Poppit. Helen Riley emerged the Paul Kane Queen. A sock hop was held in her honour on Wednesday, February 4, from 2:30-4:30 p.m., at which she was presented with roses and a scroll from the Carnival Committee. "Moshier" played super music for the two hour dance. Helen then went on to an inter-school contest. Cheryl Koshman from Sir George Simpson Junior High was proclaimed the Winter Carnival Queen.

The winter carnival was held the 13, 14 and 15th of February. Paul Kane participated in some of the events and the whole weekend went off well, despite the ominous date.

Paul Kane Student Council met the School Board February 4 and discussed various problems.

Thursday, February 5, a few of the council members met with St. Albert Youth: a group concerned with the organized recreation, or lack of it, for the youth of this town. The organization is looking for new members.

In sports there's a lot of catching up to do, because come rain, shine or the lack of a writer to record their wins and losses, Paul Kane sports must go on. In September, field hockey, soccer,

cross country running, tennis and volleyball began seasonal changes occurring; the Curling Club then started and developed into school teams. Basketball and badminton are running the gamut now. Racquetball enthusiasts are getting the kinks out of their arms during the evening hours. The Ski Club has ventured out a few times so far, on Thursday nights. I spent the first outings to Lake Eden wishing fervently for two elongated skate blades to better navigate my way down the icy hills. The snow last week was a blessing. Field hockey and track will begin sometime this month.

The basketball teams are surviving reasonably well amid the determined attempts on their lives by the opposing teams. The junior boys team has enjoyed seven wins in eight starts; the senior boys team: three wins in seven starts. The junior girls team has been victorious twice in its six games and the senior girls team has won all but two of its eight games. (Must point out that the junior girls were challenging senior teams, which shows their record in a totally different light.)

A week or two ago all students, even the basketball teams, enjoyed a two-day break while the teachers attended their various conventions.

This week is Education Week. According to plans made so far, Wednesday, March 3 will be Occupation Day. Students may be dressed up in the uniforms of various jobs.

On March 16 a Greaser Day dance will be held at the Community Hall. Appropriately enough, Teen Angel and the Rockin Rebels will be the

band. Tickets will be on sale March 8 at Paul Kane.

Paul Kane's Debate Club will be entering the regionals on March 13. A little while ago, Feb. 7, an Alberta Law Seminar was held at Paul Kane. Our club and other debates from the N.W.T., Saskatchewan and Edmonton were present. In the morning the students heard speeches by different people in the law profession. The guests were: Her Honor Judge Marjorie Bowker, C. P. Cousineau an Edmonton lawyer, Alex Hardy another lawyer and Eileen Nash, Crown Prosecutor, Juvenile Court, Edmonton. Later in the day the debate itself took place: resolved that major changes be made in laws affecting juveniles in Canada.

On Feb. 20, 21 and 22 our illustrious teams visited Prince George for an inter-provincial debate and later returned home with a new first place to brighten their outlook on life.

Mr. W. L. J. Tingley, teacher at Paul Kane, coaches the club which at the moment contains 27 members. Three of those 27, Marnie Anderson, Rod Wiltshire and Cathy Adams, will be going to a Model U.N. on April 9, 10 and 11. The idea is a mock parliament. We wish you all continued success!

A recreational badminton club meets after school on Fridays at Paul Kane. As for our interschool competition; tentative school teams of 12 have been picked but cuts of four more people are expected leaving teams of eight. Then, I gather there is going to be a tournament between schools.

Well, both my well of ink and of news are drying out, so I'll go close my report. Have a nice week!

SPORTS

Generals split weekend games - playoffs start tonight

St. Albert Standard Generals closed out their regular season action during the weekend in Central Alberta Junior Hockey League action winning 7-2 Saturday night over Hinton Cardinals and losing a 5-3 decision to Lloydminster Border Blazers Sunday afternoon. Both games were played before excellent crowds in the St. Albert and District Arena.

Generals won't be idle long as they start their best of seven semi-final series tonight against Jasper Mountaineers in St. Albert at 8:30 p.m. The second game will go at 7:30 tomorrow night with the third, fourth and fifth if necessary in Jasper this weekend, starting Friday night at 8:30.

was good enough for a overall fifth place finish and second only to Edson in the West division.

cellent, clean junior hockey that has seen them lose only three of their last 18 games.

The Lloydminster game Sunday afternoon started out to be an exciting match but it didn't take long for referee Harvey Dodds to lose complete control of the game. It was by far the poorest officiated game the Generals have been in all year and both coaches couldn't believe how many obvious calls were missed. Dodds' who is a senior official has called some excellent games this year, but Sunday's farce left a bad taste in everyone's mouth. Maybe his hockey helmet was too large and it fell over his eyes obstructing his view.

Generals led 3-2 early in the third period on goals by Barry Medori, Matt Lister and Gary Ferguson but allowed the Blazers three unanswered goals midway through the period for a 5-3 win.

Saturday night Generals outclassed Hinton 7-2 on goals by Kieser, Frewer, Regimbald, Meunier, Medori, Lister and Olson.

Fans wishing to go to

Jasper this weekend are asked to phone ahead for room reservations which are limited due to ski trips.

Gate admission for all General home playoff games have been raised to \$2. for adults, students and senior citizens \$1., with children 12 and under - 50c.

Generals season tickets are not valid for all playoff games.

Final results of all 40 league games.

St. Albert to host Pee wee provincials

The provincial pee wee hockey playoff tournament will be hosted by St. Albert the weekend of March 19-20-21.

The modified double knockout seven team tournament will see all but two games played in St. Albert. Sturgeon Arena will get two games - Friday, March 19 and Saturday morning.

Six games will be played at

St. Albert Saturday, with the finals on Sunday.

Tournament Chairman Maurice Chabot should have the draw ready for next week's Gazette as all teams have to have their series finished this weekend.

Drumheller, Brooks, Grande Prairie and St. Albert are automatic entries into the tournament.

RALPH CHAMBERS

The other semi-final series in the West division has Hinton Cardinals playing Edson Arrows.

In the East division, Lloydminster plays Vermilion Tigers while Wainwright Bisons and Vegreville Rangers go at it in the other series. Both division winners will then meet each other in a best of seven series.

Generals have had an excellent first year in the highly respected CAJH league winning 25 and tying one of 40 scheduled games. This

Bruins end season with playoff loss to Fort

St. Albert Junior Bruins hockey season came to a halt Sunday evening in St. Albert as they lost 8-2 to Fort Saskatchewan Traders.

The loss was the Bruins fourth in as many games to the Traders who now advance to the Capital Junior Hockey League finals against Stony Plain Flyers or Sherwood Park Knights.

Knights are favoured to take their series which

should make the final a very exciting series. Fort won the regular league schedule with 56 points, five ahead of second place Sherwood Park.

Bruins series with the Fort saw St. Albert get some good scoring chances early in most games but the puck just wouldn't go in.

Traders on the other hand played steady positional play and capitalized on what chances they got.

In regular schedule play Bruins were one of the few teams to beat the Traders (twice) but couldn't pull it off in the finals.

Traders other semi-final scores over the Bruins were 6-4, 9-4 and 8-1.

Coach Ron Yanosik, management and players would like to thank their many fans for their support throughout the year and hope that they will be back next season.

The above three photos seem to sum up Sunday's game between the St. Albert Bruins and Fort Saskatchewan Traders. The first shot was a familiar one as Bruins had a number of scoring chances but just couldn't get the puck in.

The centre photo came near the end of the game with the Fort leading 8-2. Bruins became frustrated in not being able to score but did manage to come out on top in the scrapping

department. Linesman, Bernie Munawich has his hands full in trying to restrain Alex Jensen from any further fighting. Bruins defeat to the Fort eliminated them from any further play.

Balers eliminate Sherwood Park in playoff action

The North Central Pee wee League playoffs began on the weekend, with the New Holland Balers Pee wee BB team from St. Albert pitted against the Sherwood Park Dairy Queens.

The Balers, who had finished first in the regular schedule started a two out of three games series on

Thursday night in the St. Albert Arena against the fourth place Dairy Queens.

On Thursday against their bitter rivals the Balers had an uphill struggle and managed to squeak out a 2 to 1 victory. Following a scoreless first period, the DQ's opened the scoring midway through the second period to lead 1 to

0. The Balers tied the score with a weird goal and a great effort by Dennis O'Neil. Scott Holliday, with the Balers shorthanded, slammed the puck the length of the ice, as it came off the backboards Dennis O'Neil picked it up and drilled a low shot to the corner to tie the game 1-1.

Both teams did some excellent checking throughout the game, until they left Don White alone at the side of the net. Ricky Gray and Brent Weller fed White a pass for the eventful winner.

John Sexsmith played an outstanding game in the nets, as the Balers took the worst of the penalties and were shorthanded on several occasions. In the last minute Sherwood Park tried desperately to tie the score, but Sexsmith came up with two brilliant saves to insure the victory.

On Saturday night the Balers travelled to Sherwood Park for the second game. It started out with the Balers pressing, but the Dairy Queens again opened the scoring to lead 1-0. However the Balers, despite some hard hitting by the DQ's stuck to hockey and made a route of it. Don White tied the score on a pass from Murray McKeage. Then Brian Hunt put them ahead to stay on a pass from Mitch Poulin and McKeage. Following this the Balers scored six more times to the DQ's one. Ricky Gray, who played a terrific game while killing penalties, came through with two unassisted goals as well. Don White scored his second goal of the night on a pass from Jamie Sander. Then Sander got a pass to Laplante at the side of the net and he slammed it home. Rounding out the scoring were McKeage, assisted by Sander and White and Poulin from Hunt. Ron Malo played a

steady game in goal for the locals. Final score 8-2.

The Balers now wait for the winner between Ardrossan and Sherwood Park Loadstars.

Sherwood Park defeated Ardrossan 4-3 in a double overtime period for a one game lead in their series opener on Thursday.

Balers, who are also involved in provincial playoffs and have already eliminated the Hinton Braves are now up against Leduc Elks this weekend. Leduc won their zone a week ago.

The following is the way the regular season ended in the North Central Pee wee League.

This is the second season

in a row that Coach Al Laplante has directed his pee wee's to a first place finish.

Immunization for travel

The Sturgeon Health Unit would like to remind all travellers to warm climates particularly to the developing countries to check with their public health nurse as early as possible when making travel plans. This applies even more so to persons or families who will be living and working in a developing country for a period of time. In addition to requiring special immunization such as cholera, typhus, etc. it is important to bring basic

immunization for poliomyelitis and tetanus up to date. Timing and spacing of different live vaccines often cause problems when insufficient time is allowed. We want to provide you with the best protection immunization can offer and we can do this if you only give us the time.

Publication 'Health Guide for Travellers to Warm Climates' is available at Sturgeon Health Unit.

Set your sails on a new set of wheels.

Cruise on down to Exhibition Grounds and take a look at one of the best selections of new trailers, campers, fifth wheels and motor and mini homes. Plus there's practically a boatyard full of the latest sailboats, powercraft and accessories.

Featured will be a display of bird decoys and blinds along with a six foot Super Goose, live alligator wrestling, a Wham-O Frisbee throwing contest, the "Sea Explorer", a two man submarine and "Undersea Wonders", a colourful 120 ft. display of mounted fish.

Drop your anchor at the Edmonton Boat, Trailer & Sport Show.

Kinsmen Minor Hockey standings

The Kinsmen Minor Hockey League is now entering the final month of play. The attached game and individual statistics cover all game sheets dropped in the Arena box as of 6 p.m. Sunday, February 29.

In going over the various schedules there are 80 games that have not been played for some reason or other. They are as follows: Shaver A & B (3); Mite A and B (20); Pee wee A and B (13); Bantam A and B (32) and Midget (12). All coaches are asked to try and get their re-scheduled games played before the regular schedule ends as there will not be time after.

Any coaches with different standings should call Larry Mitchell at 459-4941 as soon as possible.

THE LIQUOR LICENSING ACT [PART3]

[SECTION 90(4)]

NOTICE OF HEARING OF LIQUOR APPLICATION

The following notice is published in accordance with the provisions of The Liquor Licensing Act:

1. The area comprising the Town of St. Albert being all of that area within the corporate limits of the Town of St. Albert has been designated as a local option area for the purposes of the above Act.

2. The sixth day of April, 1976, has been set as the date upon which the Board will consider applications for licenses under the above Act, unless prior to that date the Board has received a petition signed by 500 electors of the above described local option area or 10 percent of the number of persons named on the latest lists of electors for an election of a member or members to the Legislative Assembly from the area comprising the local option area, whichever is the lesser number, requesting that the Lieutenant Governor in Council submit to a vote of the electors of the local option area a question in respect of the class of license applied for.

Dated at Edmonton, this Seventeenth day of February, 1976.

A. D. ELLIOTT

CHAIRMAN

THE ALBERTA LIQUOR CONTROL BOARD

NOTE: Petitions requesting a plebiscite vote must be on the official petition forms which may be obtained from The Alberta Liquor Control Board, 12360 - 147 Street, Edmonton, T5J 2R4, together with instructions for the submission of a petition.

YOUR HOME AND MINE

St. Albert is recognized as a very desirable place to live.

We find that many of our clients moving to the Edmonton area are choosing St. Albert for their home.

In fact, we have families arriving daily with immediate needs for housing.

CANADA PERMANENT TRUST ('THE PERMANENT')

is Canada's largest Real Estate, Trust and Mortgage complex.

- Offices coast to coast
- 1st and 2nd mortgage funds readily available.
- Coast to Coast guarantee, trade and transfer plan.
- Expert appraisers on immediate call.
- Knowledgeable, courteous and efficient sales staff (over 1200 in Canada)
- One of the top ten firms in Edmonton and area - M.L.S.

Few of us like to move, but on the average Canadian families change location every four years. If you are facing a move, please call me now. Selling your home is one of the most important transactions you will make. It helps to have someone you know and trust working for you.

Skyhawks advance to provincials

The St. Albert High girls' basketball team, the Skyhawks, who won the North Central Zone tournament last Saturday, February 28, and who have now advanced to provincial competition.

The girls played their best last Saturday in Drayton

Valley. They won their first game against Ardrossan by a score of 32-28. The final game against Drayton was even closer, but St. Albert came out ahead 25-22.

The Skyhawks' season record was 23 wins and three losses. They won the West-

lock Invitational, came third at the Drayton Valley tournament, won the St. Albert High-Paul Kane tournament, and also won the Paul Kane tournament trophy.

Provincials will be held this weekend in Sherwood Park at Archbishop Jordan High. The St. Albert High girls' first game is at 5 p.m. Friday night, March 5. They will be playing the winners of the South-West zone. If they lose, their next game will be at 9 a.m. on Saturday the 6th, and if they win, their game will be at 12:30 instead. The Skyhawks are guaranteed two games minimum in provincial competition.

This is the fourth year in five that the St. Albert High girls' basketball team has played in the provincials. Good luck!

and Recreation Department

PUBLIC SKATING

Due to entry of the Standard Generals in the playoffs, public skating will be cancelled on Wednesday, March 3, 1976. Next public skating will be on Saturday, March 6 from 2:30 - 4 p.m.

SPRING CALENDAR

On April 5, the 1976 spring calendar of recreation activities and further education courses will be delivered to householders served by the St. Albert Post Office. Anyone who does not receive their mail through St. Albert Post Office but would like a copy of the calendar, please phone 459-6601 and leave your name and address. A calendar will be forwarded to you. This season the calendar will be yellow with blue print.

TRAVEL FILM

Planning your holidays and wondering where to go? The Canada West Tourist Association will be presenting three 30 minute films on travel and recreation in British Columbia. The films are professionally made and would delight the whole family. In addition to the films, the Association will have resource people on hand to provide you with specific information and details on fishing, camping, canoeing, riding and boating. The seminar will be held at Sir George Simpson

Elementary School Assembly Area starting at 7:30 on Sunday, March 14. We ask that you phone the Town Hall (459-6601) Parks and Recreation Office and reserve seats. This will help in planning the evening.

LEARN-TO-GOLF

Please check this week's Gazette for the advertisement on Learn-To-Golf. The program will begin March 25 with classes at 6:30, 7:45 and 9 p.m. Classes are open to anyone 10 years of age and up. Please register at the Town Hall Parks and Recreation Office. Cost of classes is \$8 students and \$10 for adults.

ST. ALBERT COMETS

The Comets announce that they will be playing Stony Plain in the second round of playoffs. They defeated Drayton Valley in the first round 12-5 in the total point series. Prices for upcoming games are adults \$2., students \$1.50 and children \$1. Next game is Friday, March 5 at 7:30 p.m.

SOCCER & SOFTBALL REGISTRATION

The Hercules Sports Association announces that registration for soccer will be March 16 and for softball on March 16 and 23 from 6 - 9 p.m., at the following locations: Sir George Simpson,

Father Jan and Vital Grandin Schools.

Heart Fund canvas almost complete

The door-to-door canvas for the Heart Fund is now almost complete. However, many St. Albert residents were not at home when a canvasser called on them. In such cases 'Stay-at-Home' envelopes were left so that all those wishing to donate to the Heart Fund would be able to do so.

If anyone was not called upon or did not receive a 'Stay-at-Home' envelope donations may be made to any bank in St. Albert or may be sent directly to: Alberta Heart Foundation, 1502 Commerce Building, North-West corner of 101 Street and Jasper Avenue.

As soon as the totals for the province and the individual towns and cities are known they will be published in the Gazette.

Skating club holds first competition

St. Albert Figure Skating Club held its first club competition on Sunday, February 22. A crowd of about 100 friends and family members were on hand to watch the excellent freestyle performances of the 35 entrants.

Results in the five groups are: pre-preliminary ladies - 1st - Sandra Porowski, 2nd - Laurel Coulter, 3rd Leah Gramlich; preliminary ladies - 1st Tanis Mowbrey, 2nd Diane Duttall, 3rd Allison Lassiter; pre-junior ladies -

1st Natalie Lassiter, 2nd Collette Lassiter, 3rd Carolyn Russell; juvenile ladies - 1st Cheryl Wakefield, 2nd Janet Duttall; pre-junior men - 1st Gerry Joyal, 2nd Kevin Malinowski. Winners in each event received a medal.

Officials at the competition were: referee - Mr. Gerry Minks; judges - Miss Tracey Collins, Miss Sharlene Minks, Miss Darlene Vaughan; competition chairman - Mrs. Marie Duttall.

The next test day will be

held on Wednesday, March 3 from 4 to 8 p.m. in dances and figures.

Gerry Joyal and Kevin Malinowski have been invited to try out for the Bursary Skate along with many skaters from all over the world. Entrants in this competition will be from England, Russia, Japan and other European countries as well as Canadian champions. The dance try outs for this event were held on Tuesday, March 2.

Winners in the St. Albert Figure Skating Club's first club competition proudly display medals.

Barons win Zone third year running

St. Albert's Sportshop Barons will represent their zone in the provincial midge "A" playoffs in Fort Saskatchewan March 19, 20 and 21st.

The Barons thumped Leduc 13-6 in a two-game total-goal series to earn the right to play in the provincial tournament.

Competitors will also include Fort Saskatchewan, Red Deer, the winner of a Camrose-Stettler series, the winner of a Medicine Hat-Leihbridge series, the winner of a Grande Prairie-Fairview series, and possibly either Lloydminster or Fort McMurray.

The Barons, for the third successive year, clinched their zone title in deserving fashion, although this year the only other "A" team was Leduc.

St. Albert dropped the visiting Broncos 4-1 in a game one week ago at the Arena, then dumped the Broncos 9-5 in the Leduc rink Friday.

But the series threatened to be a barn-burner for a while, akin to a two-game series one year ago when St. Albert won the series with a late goal in the second period of overtime.

Sporting a three-goal lead by virtue of their 4-1 first-game victory, the Barons were momentarily stun-

ned in Leduc Friday when they fell behind 2-0 in the first five minutes.

The puck had barely been dropped when Andy Vanderveer beat goaltender Glen McRae from 10 feet at the 33 second mark, and then Leduc made it 2-0 a little over five minutes later on a shot from close in.

But Paul McCann got it all turned around for the Barons midway through the period when he took a Ron Sander pass and scored on a partial breakaway, and then five minutes later Blaine Galbraith took a Jeff Harmon pass at the Leduc blueline and broke in all alone to tie the puck high for a 2-2 tie. Leduc went ahead 3-2 - 20 seconds later on a screened drive from the point but Real Huot got that one back within a minute on a St. Albert power play, when he grabbed a loose puck at the edge of the crease and caught the corner.

In the second period, three goals within two minutes just pass the five minute mark put the icing on the cake for St. Albert.

Galbraith and Huot both picked up their second markers of the night, and Rick Kreway boosted the count to 6-3 when he pushed a Dave Shipanoff shot under the Leduc netminder's pads.

Ron Sander and Shipanoff

rounded out the second period scoring for St. Albert and an 8-3 lead in the game and a eight goal lead in the series, and then Ken Strand upped the count to 9-3 four minutes into the third period when he beat the Leduc netminder from 20 feet out with a highrising shot.

Leduc got two back in the final period but the game was really over after the second period and St. Albert concentrated on not picking up any major penalties which could have knocked those individuals out of playing in the provincials.

St. Albert took 12 of 22 minor penalties.

Dennis Lafleur, who replaced McRae at the start of the second period, was outstanding in the early minutes when he stopped three excellent scoring drives by Leduc, and from there on Leduc seemed to sag.

The Barons earned a week off after their Leduc series, and now meet Camrose in their league playdowns for the championship.

St. Albert hosts Camrose 4:30 p.m. Saturday in the Arena in the opening game of the best of three series, with St. Albert having the extra game if necessary by virtue of their first place finish in the Central Alberta Midget Hockey League.

ST. ALBERT PARISH KINDERGARTEN REGISTRATION

Registration for the 1976-77 year will take place from **March 1st to April 1st, 1976**. The Registration fee is \$5.00.

Registration forms and an information letter are available at the **St. Albert Public Library** or the **St. Albert Public School District No. 3** office, at 6 St. Vital Avenue, St. Albert.

Children being registered must be five years of age before March 1st, 1977, without exception.

The form must be completed and mailed together with the registration fee, to be received no later than April 1st, 1976.

Comets eliminate Drayton - Westlock next in Provincials

St. Albert Comets won the first round of the provincial playoffs with two straight wins over Drayton Valley Rebels in the total goal series.

Comets scored an easy 6-2 win in St. Albert, Feb. 22 and then took the second game in Drayton Valley by a 6-3 score for a two-game 12-5 series win.

St. Albert will now play Westlock Eagles in the second round. Game times

have not been set as yet, although it probably will be the weekend of March 13-14. Westlock earlier defeated Edmonton Bruins to advance against St. Albert.

Comets and Eagles have met three times in league play this season with St. Albert winning all three, 7-3, 6-4 and 4-3 in overtime.

Saturday night in Drayton Valley, Comets scored four third period goals in their 6-3 win and were never in

trouble. The Georgy brothers, Blaine and Brian scored a pair each to lead the Comets while Bob Foote and Brian Stevens added singles.

LEAGUE PLAYOFFS

Comets are also involved in semi-final playoffs in the Edmonton Central Hockey League and scored a 8-3 win over Stony Plain Eagles in the first game of a best of five series. Thursday night in Stony Plain.

The second game was played last night in St. Albert but no score was available at press time. The third game will also be in St. Albert and will be played Friday night at 7:30.

The other two semi-final series has Westlock playing Sherwood Park and Fort Saskatchewan taking on Edmonton Bruins.

Thursday's game in Stony Plain saw Comets completely dominate the game even though they were missing Paul St. Cyr, Randy Clark, Jim Stewart, Rob Pearn and Bob Beaulieu.

Stony opened the scoring at 6:52 of the first period on

Mel Gushattey's goal but John Phelan scored at 12:24 to tie it up for the Comets. Eagles took the lead early in the second period on Len Haley's goal but St. Albert scored four unanswered goals for a 5-2 lead as Brian Georgy scored three and Danny Towpich the other.

Craig Wolansky scored late in the period for Stony Plain's final goal of the game.

Comets added three more goals in the final period including Georgy's fourth of the game. Bob Foote and Phelan scored the others.

Mike Stewart was in goal for St. Albert after a lengthy rest because of a leg injury and was outstanding.

Referee Harvey Dodds had a busy night as he usually does, calling 28 penalties including 18 to St. Albert.

Generals Claude Regimbald (17) raises his stick in the traditional fashion as linemate Gary Ferguson (behind #6) has just scored to give St. Albert a 3-3 tie with Lloydminster Border Blazers Sunday afternoon. Generals lost the game 5-3.

A picture play goal was scored on the above photo as Matt Lister (14) starry forward with the Standard Generals split the Lloydminster defense and beat the goalie with a perfect shot. The puck can be seen just above the left glove of the goalie. Generals lost a close 5-3 decision in the final league game of the season in Central Alberta Junior Hockey League action.

Lobstick Resort

... your leisure pleasure land.

Riding, skating, cross country skiing, trail hiking and boating (no motors). A limited number of 300 lots, in 1/4 acre size are now available for sale in this thousand acre playground just 65 miles west of Edmonton on the Lobstick River.

For a vacation home that's "away from it all" in a second home in the country, you'll appreciate the natural amenities of this year-round vacation resort area. There's a lot for you in Lobstick Resort. Enquire today about one of the 300 lots in the Leisure Pleasure area - Lobstick Resort, through the exclusive sales agents.

Report from Parliament Hill

By Stan Schellenberger MP

Several farmers have recently expressed their concern to me over the ongoing dairy policy of the present Government. These complaints, combined with the public protestations of the Alberta Minister of Agriculture that in tariff and trade negotiations, agricultural products markets are being lost to increased access for manufactured goods, serve as confirmation that something is indeed amiss in the dairy industry. Examine the following export and import figures for a moment. In 1969 Canada exported 35,958,000 lbs. of cheese, 6,802,000 lbs. of evaporated milk and 238,301,000 lbs. of skim milk powder while in 1974 cheese

exports totalled 8,306,000 lbs., evaporated milk 66,000 and skim milk powder 129,173,000 lbs. Quite obviously our dairy exports are declining. However the import picture is entirely different. In 1969 Canada imported no butter whatsoever and 31,264 lbs. of cheese while in 1974 - 53,766,000 lbs. of butter entered the country along with 48,762,000 lbs. of cheese. Quite startling, isn't it?

In light of the above statistics, dairy farmers have every reason to be disturbed by the Nov. 4th policy announcement by the federal agriculture minister that dairy imports will be allowed to increase gradually over the next several years until they reach not less than the

equivalent of 10% of manufactured products. The current import quota is 50-million pounds which represents 5% of the total Canadian consumption of manufactured dairy products.

The dairy industry has argued persuasively that a doubling of the allowable imports could have a disastrous effect, particularly on the fast-growing specialty cheese industry which has been a recent bright spot in the dairy industry. An increase in imports along with the slump in cheese exports of the past few years could spell bad policy for dairy farmers, indeed for all Canadians. In the last 10 years cheese exports have fallen from about 36,000,000 lbs. annually to about 9,000,000 lbs. The increase in the quota on cheese imports, indeed the lack of a decrease, may well result in what some sources term as a "riot" within the dairy industry, with many producers simply shutting up shop altogether. The inevitable result of this, of course, would be an

increase in the amount of imported milk, butter, cheese, etc. to a level from which we could never return.

Canada is having problems with dairy over-production this year. At the beginning of this dairy year, the projected

demand for industrial milk was 100-million hundred-weight.

Attends special ambulance meeting

Surgeon Hospital Board member Clay Crozier will attend a special meeting March 6 about setting up two area boards for rural volunteer ambulance services.

Nigel Mansfield of Bon Accord, who spearheaded the new Bon Accord volunteer ambulance service, with Morinville following suit, is now trying to set up two area administration boards to cover the Sturgeon and Thurland areas.

Although Mr. Crozier has only recently begun his work with the Sturgeon Hospital Board, he told the Board that

he would benefit from going to the meeting set up by Mr. Mansfield.

Board member Armand Donais feared the board would be drawn into an area which was not its responsibility (the provision of ambulance service to the hospital). That he felt was the responsibility of the municipality.

Bui Board Chairman John de Bruijn said, following Mr. Donais' observations, "maybe there's all the more reason to have a board member there."

1976 key year for emergency services

The St. John Ambulance Service in Bon Accord has released statistics showing that 98 calls were logged by the unit last year.

Sixteen emergency responses were logged in the first six weeks of 1976.

Last year, 56 per cent of the calls came from residents of Bon Accord, 23 per cent from the MD of Sturgeon and

eight per cent from Gibbons. Thirteen per cent of the calls involved residents of other areas.

A news release says that the biggest cause of accidents was the home accounting for 27 per cent of all calls, sporting injuries came in at 23.2 per cent, illness at 21 per cent and motor vehicle accidents at 17.9 per cent.

These were followed by poisonings and industrial accidents at 4.2 per cent and fires at 2.1 per cent.

The release says that 1976 will be a key year in the future of emergency care in the locality.

"The unit must increase its members to 12 if it is to handle the load expected in 1976," it states.

Volunteer technicians are needed and so are at least four more people who will drive the ambulance for the unit.

The SJAES is a non-profit organization and not an ambulance company. If you want more information on the service, call Janice McDonald at 921-3500 or Nigel Mansfield at 921-3625.

Spotlight on Sturgeon Federal Government's power shown

By Jim McIntyre

There doesn't seem much anyone can do to stop a Federal maximum security penitentiary coming into the Horse Hill sector of the MD of Sturgeon.

Way back in October of last year, MD officials and representatives from the Solicitor General's department talked with residents of Horse Hill about the pros and cons of having the gaol near them. The residents certainly didn't want it and 200 residents signed a petition to that effect.

It's been a long time since anything was said about the gaol, but the matter surfaced this last week at the MD of Sturgeon's regular development meeting, coinciding nicely with the Federal Government's bill on "Peace and Security."

With the increased likelihood that society will actually keep its killers protected from the gallows, or perhaps even a more humane variant of capital punishment, there will be an increased need for facilities the like of which will come to Horse Hill.

The MD of Sturgeon seemed rightly frustrated that its hands were tied behind its back in the matter of the Federal penitentiary coming into the MD.

There seemed little doubt in the minds of MD officials that the Federal Government intends to proceed with the gaol and a token permit will have to be issued by the MD once the official news comes from the Solicitor General's department.

The MD of Sturgeon wants the public to know that they are powerless to stop the development and that consultants are already drawing up plans for the facility at the Horse Hill site.

Basically, if the MD wanted to fight the development on behalf of its residents, it would be up against the Crown itself.

There has been no ministerial announcement yet giving the official go ahead for the gaol's construction, but when it comes, there will be no smiling faces in the MD of Sturgeon.

A letter from the Minister will amount to a by-passing of the local authority and will in effect eliminate the need for any development permit being issued.

The MD of Sturgeon has put a 90 day freeze on "almost automatic approvals for 80 acre parcels" in the MD.

The decision was taken at the regular development meeting of the MD February 27th as council tabled nine applications for split 80 acre subdivisions.

If the MD had approved the nine applications on the table last Friday, another 1440 acres of the MD would have been swallowed up, driving the price of agricultural land in the MD even higher.

Deputy Reeve of the MD Lawrence Kluthe said that inflated lot prices in Edmonton and other urban centres have made the 80 acre parcels as cheap as the lots now, thus explaining their popularity.

"We should stop and assess (the matter) while we can," said Mr. Kluthe, "and see whether it is in our interests to create an MD out of nothing more than 80 acre parcels."

He claimed that many people were moving out of the city into the country and thus were driving up the price of good farm land.

MD Development Officer Gary Brownlee said applicants for the 80 acre parcels should indicate "intensified agricultural use."

Councillor Clay Crozier felt that to grant all the applications would "end with hardship on established (large) farms."

Councillor Walter Van de Walle said that to take the pressure off good soils, the

80 acre parcels should hold seven houses.

Mr. Kluthe noted that Leduc had come out dead against 80 acre parcel subdivision.

division.

The MD finally decided at the end of the discussions to establish the 90 day freeze on 80 acre parcel applications.

Councillor Clay Crozier said that the only way to survive was to "fracture your soil - we need this viable farm land."

The Red Rooster is coming to Morinville

That new building on the corner of 99th Avenue and 100th Street in Morinville will be opening April 15 as a combined Red Rooster store and Self-Serve Gulf station.

Len Lubinville of Len-Mor Construction says that the project was presented to the

town in May 1975. Approval of the plan, subdividing and rezoning, took a long time, but construction finally began on December 10, 1975. Len-Mor Construction is the owner and builder of the new store-station.

The building is the first of

its kind in Morinville and will offer its customers the usual Red Rooster services, convenience foods, magazines, ice machine, and microwave heated foods. The store is an ample 2,000 square feet.

Look for the official opening in the Gazette around the middle of April.

It doesn't look like much now but by the middle of April this building will house a new Red Rooster store and a self-serve Gulf station.

Morinville Sports

SENIOR HOCKEY

Despite outscoring Legal Canadiens 21-16 so far in their best of five semi-finals; Morinville Motors Senior hockey team is tied with Legal in the playoffs, and will have to decide their entire season in one game which will have been settled by the time this is read.

Last Tuesday (Feb. 24) the Motor boys got it "running right" briefly in the third period on two quick goals by Rick Pugliese to surge ahead 4-3; then went back to sputtering to drop the contest 6-4 (the last goal scored on an open net). Jack MacAskill scored the Seniors other two goals.

Friday night (Feb. 27) was a different story; Morinville played as they are capable of, and completely overpowered the hapless Canadiens 8-1. Jack MacAskill scored another pair as did team captain O'Neil Chevalier. Norm Bohl, Carl Royan, Wayne Miller and Ed St. Laurent added singles; while goaltender John Downs came within an ace of his shutout bid.

Sunday afternoon (Feb.

29) Seniors fell behind early in the game (4-1 first period) and despite some good efforts just could not catch up. Jack MacAskill, Carl Royan, O'Neil Chevalier and Rick Wright scored Morinville's goals in the losing cause (6-4).

Should Seniors win Tuesday they will face Villeneuve in a best of seven finals, that will begin Friday, March 5 at home (game time 8 p.m.).

MINOR HOCKEY

Andy's Trucking Shavers A beat their mothers 18-2 Saturday morning in front of a stand full of laughing dads.

Mite B lost 7-1 to St. Albert Friday eve; Andy Hittinger got the lone carry. Saturday afternoon they toured to Westlock where they lost 5-2. Casey Bentz and Patrick Krauskopf scored the goal. Mite A won their playoff game against RQB 8-1 and both exhibition games against St. Albert teams 9-1 and 9-7. Chris Bokenfohr scored 17 times, Marshall Lalonde 3, Dwight Van Brabant 2, Neil Bokenfohr 2, Rick Mulligan and Tim Quinn one each.

GOODTIMERS

Goodtimers second annual tournament will get underway Saturday, March 6 at high noon. Game #1 - 12:00 Sat., Spruce Grove vs Legal Benders; Game #2 - 2:00 Sat., Stony Plain vs Westlock; Game #3 - 4:00 Sat., Morinville vs Bon Accord; Game #4 - 6:00 Sat., Public

Trustees vs Highways Dept., Game #5 - 8:00 Sat., loser game #1 vs loser game #2; Game #6 - 12:00 Sun., Winner #1 vs Winner #2; Game #7 - 2:00 Sun., loser #3 vs loser #4; Game #8 - 4:00 Sun., Winner #3 vs Winner #4; Game #9 - 6:00 Sun., Winner #5 vs Winner #7 - champions of B event; Game #10 - 8:00 Sun., Winner #6 vs

Winner #8 - champions of A event.

All proceeds will go to the Agricultural Society to help pay for artificial ice. Many businesses and individuals around town have contributed cash, trophies and food, a complete list of these public minded people will be published later.

Goodtimers were trimmed

14-7 Sunday evening by the visiting Beaumont squad, they will travel to Edmonton for a final tune-up game against the Public Trustees Thursday evening 10:30 at the Gardens. Sunday's goal-scorers were Ernie Brisson, 2; Allan Bentz, 2; Dave Pezer, Bob Pearson and Marcelle Chailoux one each

25th Fireman's Ball held in Morinville

By Marg Bentz

On Saturday, February 28, the current volunteer Morinville Fire Department held their annual "Fireman's Ball." About 250 people attended, some coming from as far as Fahler, Alberta, to celebrate the 25 year event. Gib Boddez was master of ceremonies and Bob Layton and the Twilights entertained during the evening, making sure everyone was having a good time.

Rene Chevalier (assistant fire chief) introduced the current members of the volunteer fire department, then went on to explain the special presentation. Volunteer firemen, giving five years or more of recorded service since 1951, were presented with special plaques for their services. One member had given 24 years of volunteer services while others ranged between 6 to 15 years.

The retired firemen honoured were presented their plaques by Harvey Atkinson (town council) and Don Found (fire chief). Each of their wives was given a corsage. The following were given plaques: Raymond McDonald, Clarence Krauskopf, Buster St. Laurent, Charles Krauskopf, Joe St. Laurent, Joffre Kremer, Tiger Riopel, Bob St. Laurent, Marcel Labonte, Albert Ethier, Tom Houle, Raymond Perras, Gerry Ethier, Gus Ricard, Guy Froment,

Ron St. Laurent, O'Neil Chevalier, Rolly Houle, Norman Houle, Henry Lamoureux, Gib Boddez, Roger Champagne, Ed Weisgerber, Maurice Rousseau, Andy Gervais and Camille Beland. Three special in memoriam plaques were given on

behalf of Don Bouvier, Andy Ricard and Maurice Chevalier, to their families.

All in all the evening was well organized and successful, with all present enjoying being re-united with old friends.

Legal Credit Union holds annual meeting

Legal Credit Union held its 33 annual meeting February

27 with 108 members in attendance. The evening

began with the usual supper, followed by the meeting. Various reports were presented to the meeting followed by election of officers. The newcomer to the Board of Directors was Donald Wetter, and Fred Zilinski were elected by acclamation for three years.

The Board would like to thank all the committees for the service, and a special thanks to the members for their loyal support. They also wish to welcome the newcomers to the board and various committees. They also congratulate Art Morin and Paul Cloutier for 20 years and seven years of faithful service. The evening concluded with a dance and social enjoyed by all.

Left: Leonard Blanchette presenting 20 service award and gold watch to Arthur Morin.

Ag-safety Tip

The proper safety attitude is a must on the farm. Constantly be concerned about

safety, be mentally alert, guard against fatigue and don't try to crowd too much

work into too little time without a break.

MORINVILLE MEMOS

By Marg Bentz

The next rummage sale for the "Mother's Local" will be held on April 7, 1976. Any items can be dropped off at the home of Mrs. P. Ramer, 10108 - 104 Avenue, Morinville.

The skate-a-thon which was scheduled for February 29th has been postponed and will now take place on Sunday, March 7, on Heritage Lake (weather permitting). Proceeds from this event go to the Ag. Society to help pay for the artificial ice. Sponsor booklets are available from Ron Cust 939-4100 and from Paulette Houle 939-4648.

There will be no Easter holidays this year, instead they will be a spring break during the week of March 29 to April 2. Also, there will be no school on Good Friday (April 16) or Easter Monday (April 19).

The annual Father and Son banquet of the Morinville Cubs and Scouts was held Tuesday, February 24 at the Rec. Centre. There were 17 boys plus fathers. Special guests in attendance were Alf Garvin, district commissioner cubs and scouts Northern Region, Ray Evans,

assistant district commissioner Northern Region.

Mr. Don Brown and Father Bureau presented Religion in Life emblems to Brad West, Allen Kessler and Mike Beloin. At the end of the program a campfire was held and enjoyed by all.

An Ag. Society meeting will be held on Wednesday, March 3, at the Cunningham School.

The Credit Union will be holding their annual banquet and social on Saturday, March 13, at the Rec. Centre. Banquet starts at 6:30 p.m.

Gei well wishes to Doug Ramer who is currently at the Sturgeon General Hospital.

A community breakfast will be held at the Recreation Centre, this Sunday (March 7), after the 9:00 and 10:30 a.m. masses.

Home and school meeting will take place on Monday, March 8, at G. P. Vanier School.

Heritage Lake has been swept and cleared for skating. Signs will be posted (skate at own risk) and further signs will be posted when the ice is dangerous to

skate on.

The next meeting of the Group Committee for cubs and scouts will be held Wednesday, March 3 at 8 p.m., in the home of George West.

Winners in the Farmers Bouspiel which was held in Morinville on Feb. 20, 21 and 22 are as follows: A event - 1st Octave Himschoot; 2nd C. Como; 3rd Wayne Hittinger; 4th Rick Laschuk; B Event - 1st Lawrence Kluthe; 2nd Ralph Gaetz; 3rd Norm Meunier; 4th Jim Rousseau; C Event - 1st Tom Flynn; 2nd Syd Kuhn; 3rd Jerry Kaup; 4th Morris Rousseau.

On Saturday, March 27, the Board of Trade is sponsoring "Meet Your Neighbour" night, at the Morinville Recreation Centre.

Reader's co-operation in telephoning or bringing in news items is much appreciated and as early in the week as possible. News items are completed Sunday evenings for delivery Monday to the Gazette. Please phone 939-4145 or stop in at 9901 - 99 Avenue.

LIBRARY NEWS

A new 1976 Encyclopedia "The World Book" has just arrived. There are 22 volumes which far ease of handling are smaller in size. There are many many coloured illustrations throughout, and of particular interest is a large segment on the "Metric System." The Encyclopedia will be a valuable reference for the students who in increasing numbers use the library in their search for knowledge to do their school assignments. We also have the "Encyclopedia Britannica" and "Compons" which unfortunately has one vol-

ume missing which despite our pleas has not been returned. Encyclopedias are NOT loaned out so this one was evidently "sneaked out" and has been missing for over a year. A great pity. Also in the collection is a "Colliers" now 10 years old but still of great value. Another is dated 1898 I think it is which is very interesting. Other reference material like year books, almanacs, records, will be brought up to date this year, so the reference section is quite considerable and hopefully always improving.

The new encyclopedia was bought with part of the money that was a gift from the Provincial Government last year to buy furnishings. "Have you seen our new chairs?" We think an encyclopedia can be classed as a furnishing otherwise we could not have afforded to buy it.

Frank and Sue Brenneis and Eddie and Elise Brenneis of Alcomdale, recently flew to San Francisco, to visit their sister and brother-in-law, Glenn and Phyllis Walls and other relatives Bill and Adorlis Gibeau. They toured Fisherman's Wharf, viewed Alcatraz, participated in some bi-centennial celebrations. They were very impressed with their rapid transit system "Bart" which travels through mountains and downtown Frisco. They report spring has arrived in Frisco as all the fruit trees are in bloom.

The Morinville Board of Trade are hosting the Annual Meet Your Neighbour Night on March 27 at the Morinville Centre, the music by the High Chaparral and a midnight supper. This event is to encourage the new residents to come to the social and get to meet your

neighbours and the rest of the community. Everyone is welcome, new and old residents of the town and district. Please get your tickets in advance from the business places or from the executive -- Gerry Schindler, Dr. Paul Underwood, Eva Quinn, Lloyd Kasman, Bob Craig, Henry Lamoureux and Anne Kryskow.

The Morinville Board of Trade hosted the Thibault School Board and Mr. Jim Espeter and Mr. Marcel Schayes at the regular meeting on Monday, March 1. In keeping with the theme of education week, the board gave the members an outline of their progress with the new school and many other educational aspects were discussed. The principals discussed teaching methods and curriculum.

Do you want your children to be responsible? Do you want your children to be confident? Do you want your children to respect you? Does

your family have more disputes and more disorder than you think necessary?

These and other questions relating to children will be dealt with at the next general meeting. The meeting will be held in the Georges P. Vanier High School on Monday, March 8 at 8 p.m., in the music room.

Mr. Dave Thomas a psychologist from St. Albert will show a film and lead a discussion about family relationships at this meeting. Mr. Thomas has held several workshops for parents in St. Albert where practical principles were introduced. He is the supervisor of guidance for the St. Albert School District #6 and has had wide experience teaching and working with parents and children.

Also at this meeting presentations will be made of trophies to essay contest winners.

All members are asked to attend as voting will take place on two notices of motion.

Morinville Legion Ramblings

By John J. Bulger

At the last general meeting of Branch #176, Royal Canadian Legion, Morinville, Alberta, which was held on Feb. 19, the executive for the year 1976 was elected and appointed. The following are the new members of the executive for 1976 and I wish them the best of luck in running the Branch's business for the next year.

The 1976 executive is as follows: President - John Bulger; 1st Vice Pres., Cam Dubord; 2nd Vice Pres., Leo Flannigan; Sec., Doreen Calder; Treas., Joyce Gowler Executive members Ken Gowler, Lou Calder, Bert Reid and Al Davies.

Installation ceremonies for the preceding Branch Officers will be held at a later date and details will be made known to members by mail, and, in addition, initiation ceremonies will be held on the same evening for new members and we ask for your support in attending this important ceremony which will be followed by a social evening.

On March 19, a St. Patrick's Day dance will be held with good music and excitement for all, so come to the Legion and enjoy yourself. On April 3, the Legion will be hosting a Bouspiel, full details will follow later so watch this column for entry

regulations, following the bouspiel.

Don't forget March 20 as this is the date for the Zone Rally to be held at Jasper Place Legion, anyone interested in attending contact the Branch Secretary, limited transportation will be available. On April 20, the District Rally will be held at Lac la Biche and it is hoped that our Branch will be well represented.

A very successful Valentine's dance was held on February 13 with good music, prizes and food for those who attended. It is hoped that in the near future, the Branch will have a newsletter going out to all members on a regular basis which will inform members of upcoming events and activities to be held within the Branch.

A reminder that a number of membership renewals for 1976 have not been remitted to date and it is requested that all outstanding membership renewals be paid soon as possible. Last but not least, we are looking forward to seeing you and your guests at our Branch functions as they are held from time to time, so take a night away from the tube and come yourself. Until next issue, WE SHALL REMEMBER THEM.

BON ACCORD NEWS

By Sadie Allen
The Bon Accord Ladies Community Club will meet at the home of Dorothy Rigney on Wednesday, March 10 at 8 p.m. Everyone is welcome to attend.

The Fish and Game Association will meet at the school on Thursday, March 11 at 8 p.m. Here again everyone is cordially invited.

Golden Gems will meet in

the Community Centre at 1:30 p.m. on Tuesday, March 9th.

You are reminded of the Spring Tea on Saturday, March 13 in the Bon Accord Community Centre, sponsored by the brownie and guide association.

The book exchange will be open in the balcony of the Bon Accord Community Centre on Thursdays from 2-

4 p.m. and 7 - 9 p.m. Donations of books will be appreciated and all proceeds will go towards community activities.

Get well wishes are extended to Mrs. Wyman in the Royal Alex undergoing an operation for cataracts. Mrs. Wyman is in her 91st year.

The Bon Accord Community Centre held the annual meeting on February 23 with a fairly good turnout. Re-filing members of the board were Hughie Allen, Glenna Brennan and Pauline Mansfield. Re-elected for a second year term was Pauline Mansfield. New members elected to the board were Dick Bland, John West and Sandy Samis. A report on sports activities sponsored by the organization throughout the past year was given by Hugh Allen. During that time nine hockey teams (eight male and one female), six baseball teams and six softball teams have seen action. Soccer was organized late in the season, but plans are already underway for at least four teams to register in April this year with league entry planned. A Badminton club uses the school gym for regular play during the winter months. Coaches for all teams are always needed. If you are acting as a helper, please contact the Community Centre Board. Unfortunately there are always a few in every community who feel they should have a free ride. If you are skating or taking part in any of these activities without registration, you are one of these.

Golden Gems were happy to welcome visitors Mrs. Jean Smith and Miss Ruth McCullough from Sturgeon Rec and the Dept. of Culture, Youth and Recreation to their meeting on Feb. 24. The Bon Accord Club will host a physical fitness for seniors

demonstration in the Community Centre on April 26 in the afternoon. Seniors from Gibbons and Namao will please note the date as this demonstration is for them also. The plan of the senior citizen's recreation facility to be worked on this spring was available for comment and suggestion. Plans were drawn up by local architect Mr. Duncan McDougall. This is a Bon Accord Lions' project.

Someone missing green bingo chips may redeem same from S. Allen.

Missing from the arena one small metal cookie tin. If you have it, please return it.

During the 29 years it has been in operation, the Ladies Community Club has made cash donations of \$30,624 to the recreation facilities of our community. The club has spearheaded many fund-raising activities with full community participation on major ones like the Thanks-giving supper. The past year has been particularly active with the cash donation to the Community Centre this year being \$3,271.87. The financial report of the club was presented to the annual meeting by club treasurer, Miss Jean Sloan.

Wes Carleton, president of the Bon Accord Ag Society gave a short report on their activities during the past year at the annual meeting of the Bon Accord Community Centre. Credit for our arena must be given to the Ag. Society whose activities got it started. The Society plans to hold weekly market days again this year from July on into the fall, with some seating in May for sale of bedded plants, excess winter stored vegetables, perennials etc. For information on stall rentals etc. contact Pat Reichle, 921-3535. It is hoped to hold an official Goat Show this year if a qualified judge

is available. A goat show will be held for sure with an ROP test for dairy goats. The person to contact for information on the Goat Show is Ethel Samis, 921-2424.

Really good crowds are turning out to the Lion sponsored weekly bingo. The jackpot is now \$400 in 52 numbers. Winner of the consolation was Miss Cassandra Keown. The bonanza went to Mrs. Fae McBride.

Bon Accord Peewees lost a close game to Morinville. The boys played a very good game and the win was theirs right up to the final minutes of the last period. Both teams are to be congratulated on their sportsmanlike play.

A thank you is extended to Mr. Bruce Pawlechko - Bruce's Backhoe - for his donation to the Brownies and Guides association.

Weather co-operation -- that is if it stays cold this week, hockey fans will have the opportunity to see the Bon Accord Ladies in action against the CFB team on Saturday, March 6 at 8 p.m.

The Block Parent organization held their meeting on February 26. Despite the bad weather a fairly good crowd attended. For information regarding the duties of, or the qualifications needed to be a Block Parent, call Sharon Hill 921-3509.

A tribute to one of the first settlers in our district is being made by Block Brothers Realty in naming the new development two miles south of the school Hewitt Place, with main arteries being called Hewitt Drive and Benjamin Drive and crescents being called Marshall Place, Rex Place and Aubrey Place. The original Hewitt homestead is the farm now owned by Mr. Daum, just west of Hewitt Place, and was settled by the family when they emigrated from Ireland in 1892.

ACW was held at the home of the Allen's on Feb. 25. On behalf of the club, retiring officers Ruth Cline and Shirley Bland were presented with a coffee urn and punch bowl respectively, in appreciation of the years served as president and secretary. Members of the club will be selling home baking in Northgate Mall in conjunction with the parish of St. Michael's on Thursday, March 18. Donations will be gratefully accepted at the Allen household or may be delivered to the table in Northgate Mall. Proceeds go to support Holy Trinity Church.

The Red Cross Blood Transfusion Service is holding a Blood Donor Clinic on Tuesday, March 16 in the Bon Accord Community Centre from 6 - 9 p.m. Be sure to attend and give The Gift of Life.

NAMAO NEWS

By Norma Crozier
Namao UCW will hold their March meeting at the home of Mrs. Gladys McEay on March 10 at 1:30 p.m. All interested ladies of the area are invited to attend.

Namao United Church at 6, 7 and 8 p.m. Babysitting is also provided at the church. All donors are urged to attend the clinic and give a gift of life - a pint of blood.

Red Cross Blood Donor Clinic will be held at the Bon Accord Community Hall on Tuesday, March 16 from 6 p.m. - 9 p.m. This clinic is for the residents of Namao and Bon Accord areas. Transportation is available from

Get well wishes to Bill Akerman who is a patient of Royal Alexandra Hospital after undergoing leg surgery last week. Sympathy of the district to the Russell Coburn family in the loss of Ella's sister.

Sturgeon Valley 4H Dairy Club

The Sturgeon Valley 4H Dairy Club held its organization meeting in October at the Briggs' farm.

Elections were held with the following positions filled: President, Patricia Briggs; Vice-Pres. Betty Kushak; Sec. Linda Kushak; Treas. Cameron Quak; Club Reporter, Roger Briggs; Librarian, David Westra; Representative to the Sturgeon 4H Council - Betty Kushak. A new member joining this year was Danny Majau.

In December we held our annual Christmas party at the home of Mr. and Mrs. Melvin Kushak with the exchange of gifts.

Our January meeting was the night we held our organization competitions. Judges for our competitions were Mr. Eric Abell and Mrs. Lois Falcon our district home economist. Winners were: 1) Patricia Briggs and Linda Kushak; 2) Danny Majau and Betty Kushak.

Our February meeting held at the farm of Mr. and Mrs. Morris Montpelier - we decided as a fund raising project we hold a bingo in Gibbons Community Hall on March 29 at 8 p.m.

Public speaking will be held on March 28 at 1 p.m., at the home of Mr. and Mrs. Earl Briggs.

NOTICE

OF PUBLIC HEARING TOWN OF MORINVILLE

The Council of the Town of Morinville having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning, will hold a public hearing.

The purpose of this bylaw is as follows:

That Section 38, Subsection 14.1, governing Semi-Public (S-P) zones in the Town of Morinville shall contain under Conditional Uses:
7) Senior Citizens Lodges.

The proposed bylaw may be examined between the hours of 9:00 a.m. and 5:00 p.m. at the office of the Municipal Secretary of the Town of Morinville. The Public Hearing will be held in the Town of Morinville office on the 23rd day of March, 1976, at 8:00 p.m.

Written objections to the proposed bylaw will be received by the Municipal Secretary at his office until 4:00 p.m. on the 23rd day of March, 1976.

Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

PAUL E. BROCHU,
MUNICIPAL ADMINISTRATOR.

LEGAL LOCALS

By Connie Maurier
Robert and Louise Regimbal are delighted to announce the arrival of their daughter Nicole Paulette. She was born Feb. 17 at 8:15 a.m., weighing 7 lbs. 3 ozs. Henri and Donald now have a sister to fuss over. Nicole's parents wish to thank Dr. Hodges and the nursing staff for the excellent care and attention they enjoyed during Louise's stay at the Sturgeon General in St. Albert.

The Club 60 Roses celebrated their monthly birthday party on Feb. 26. Even though the weather was not very pleasant there was still a good turnout. Everyone enjoyed playing their usual card games. There was a surprise door prize apart from the usual one. Mrs. Tillie Leduc donated a beautiful cushion which was won by George Montpetit. The club would like to thank Tillie for the generous donation.

The birthdays of the month were: Archille Bergovin, Jos L'Heureux, Marie Jeanne Cyr, Lorraine Cyr, Edna Cormier, Philip Hebert, William Lamarche, Tillie Leduc, Germaine Mullen, Wilfred Labelle and George Bugnet. Lunch was served and then everyone enjoyed a piece of birthday cake to finish the evening.

On Wednesday afternoon the MD of Sturgeon held an alfalfa day at the Legal Community Hall to discuss fertilizers, alfalfa varieties, cultural concern and weed control. They had guest speakers to present the above topics to the many farmers who were present.

LEGAL'S WINTER CARNIVAL - FEBRUARY 22

Last weekend Legal certainly had the most beautiful weather anyone could ask for a winter carnival. The sun was shining brightly as the deputy minister of Culture cut the ribbon to mark the official opening of our addition to the arena. Mr. Les Usher was indeed proud to do so and spoke very well at the banquet supper which followed the ceremony at the arena.

Sunday morning the arena surroundings were busy with a good crowd of people cheering on the snowmobile races. Inside the arena hockey games were being played. The most enjoyed one was the shavers competing with their mothers. Some very interesting and amusing hockey plays were made during that game I'm sure. The game resulted with a tie score 3-3.

The figure skating classes

Parts - Sales Service
White Farm Equipment
Cockshutt, Oliver & Minneapolis see
Sketcher & Turner Farm Equip
16738 - 111 AVENUE PHONE: 489-3117

made a performance along with the learn-to-skate group which were dressed in cute costumes. They also had four Sesame Street puppets parading with the learn-to-skate class.

Miss Fete au Village was then asked to present a bouquet of flowers to the figure skating instructor, Mrs. Carol Hutchinson and also one to Mrs. Germaine Nault for donating generously her time and effort in decorating the Arena the theme being "Land of the Midnight Sun." Eskimos, canoes, seals and igloos accented the walls around the arena.

The Legal Girl's hockey team had a good battle with the Blue Angels, a team from the Highland Community League of Edmonton. Our girls were defeated by a score of 2-1.

The kiddies races took place as scheduled and each little winner received a bright ribbon according to their places.

The broomball players enjoyed a game in lots of water floating on the top of the ice. The moms played against the dads.

Because of poor ice the Oldtimers games programmed to take place in the evening had to be cancelled.

SNOWMOBILE RACE RESULTS

First Event - The Poles - 1. Remi Morin, 2. Norm Cyr, 3. Tom Laberge.

Second Event - The Steaks - 1. Richard Maurier, 2. Norm Cyr, 3. Remi Morin.

Third Event - The Flags - 1. Richard Maurier, 2. James

Danyluk, 3. Laurent Maurier.

Fourth Event - The Barrels - 1. Remi Morin, 2. James Danyluk, 3. Norm Cyr.

Novelties - Wiener Race - 1. Laurent Maurier, 2. Richard Maurier, 3. Paul Morin.

Rescue Race - 1. Laurent Maurier, 2. Bill Schaser, 3. Paul Morin.
Rawhide Race - 1. Laurent Maurier, 2. Tommy Laberge, 3. Remi Morin.

The Benders, one of Legal's ambitious hockey clubs put on a very successful evening on Saturday the 28th at the Community Hall. The crowd enjoyed the music of Danny Mahe's band and then feasted on the lunch supplied by the player's mothers and wives. All in all it was a real fun party.

After Miss Fete au Village presented Mr. Les Usher with the scissors the official cutting of the ribbon took place right in front of the entrance to the arena.

Photo by Legal Photo Studio

The Christopher Leadership Course will be having a banquet on March 22 at the Community Hall. All friends and relatives of the registered members of the course can attend. The tickets are being sold for \$4 a person and can be purchased from any member or from Lorraine Champagne (treasurer). Her phone number is 961-3731. Cocktails will begin at 6:30 p.m., followed by supper at 7:30 p.m. The Christopher course members will then present their individual speeches later during the evening.

HOCKEY LOCALS

SENIORS: Tuesday, the 24th, won Morinville 6-4 and then lost Friday 8-1 with Morinville. Sunday's semi-final game Legal won 6-4 and

the deciding game will be in Morinville, Tuesday, March 2.

JUVENILES: The Voyagers won their first provincial playoffs and will be going on to play different zones for the provincial championship.

They will be playing a league game Sunday March

7 in Legal against Fort McMurray. This will be the first semi-final game.

MIDGETS: Played the semi-finals with Morinville and lost both games to them.

OLDTIMERS: Won their game with Spruce Grove Sunday, Feb. 29 8-6.

Parliament Hill

Cont'd From Page 23

That represented an increase of about 5-million hundredweight from the 1974-1975 dairy year.

Dairy farmers responded to the call for increased milk

production and with favourable crop conditions they are now overshooting the market requirements. This proves that Canadian producers are well able to supply the

domestic market. But they are now being penalized because we allegedly have too much milk.

Also, at a time when our domestic stock of dairy

products are in a position of surplus, particularly stocks of skim milk powder that this year are three times larger than last year, it would seem logical that CIDA should

purchase additional volumes for world food aid.

But let's examine some figures: CIDA's purchase of skim milk powder for the world food program for the

fiscal year 1972-73 was 25.5 million lbs., for 1973-74, it was 23.6 million lbs., and in 1974-75, 23.9 million lbs. were purchased. But CIDA's purchase for this fiscal year of 1975-76 is only 14 million lbs.

I am certain that most Canadians would agree that the need for world food aid has drastically increased over the past 10 years - just think of the recent Guatemala earthquake - and it is unacceptable that our dairy product commitment has been reduced this year by almost one half.

Clearly the situation in the dairy industry is serious. The Government has been made aware of, and must counter, the ill effects of its policy with responsible action.

Honey bees from Mexico

Prices of honeybees imported this spring by Alberta Agriculture from Mexico are expected to be in the region of last year's prices.

Mexican Queens cost \$4.25 last year when the number ordered was from one to 24. If more than 24 were ordered, the cost was \$4 a queen.

In addition to 4000 queens, the Mexican shipments will include 1,500 packages of bees.

These two pound packages are expected to cost the Alberta beekeeper around \$18 each.

The bees that will be coming from Mexico this spring are the offspring of 300 queens that were sent here from Mexico last fall.

The reason the Alberta Government decided to import queens and package bees from Mexico was to ensure its beekeepers a supply of relatively high quality queens at a price that is lower than that currently being charged in the United States.

Being active doesn't have to be a memory.

Fitness. In your heart you know it's right.

17th anniversary for Calahoo WI

By Liz McLeod

On Tuesday, Feb. 24 the Calahoo Women's Institute members gathered in Mrs. David Roddick's home with all members present except Mrs. Glen Berry, who, along with her husband, is attending the Agricultural Service Board conference in Red Deer this week.

Opening with the Creed, followed by the minutes and the treasurer's report, a discussion followed on what to do, finalizing plans for the Leap Year supper-dance which was held on Saturday, Feb. 28th.

At our last meeting our Secretary Mrs. J. Dalheim was asked to write for information regarding the sale of chocolates and she brought samples too, so this group will send for an order and will sell these chocolate covered almonds etc. to help raise money for the History Fund.

Incidentally at our meeting we've appointed Mrs. F. Wheatley and Mrs. V. Albrecht as the committee to assemble the blocks of the friendship quilt.

There was much discussion on ways to raise money for this history book so it was moved and carried that we hold a cash bingo and bake sale on April 1 in the church basement.

Then with respect to all the fine work that is being done with the arts and crafts in Calahoo, we thought it only right to hold a tea, and display all these fine articles.

Goldenagers hold Valentine Box Social

By Liz McLeod

Isn't this weather great? How nice it is to pick up and go with such ease, on such good roads for this time of year, to the Valentine party planned by the Calahoo Goldenage Club.

There were 32 happy folks enjoying the toe tapping music of Vic Albrecht on the violin and for a switch, John Thatcher on guitar.

Dancing was enjoyed and one outstanding couple were a joy to watch, doing the real oldtime two step.

A real treat was in store when, with John LaFleur auctioneer, the baskets were auctioned to the highest bidder, and the fair lady went to share lunch with the gentleman.

We welcomed Mr. and Mrs. Bill Korz to this happy occasion and are happy to know they enjoyed themselves and are attending these friendly times.

Well now it was Goldenage Club day again this Feb. 25 at 1:30 p.m., and 30 happy

For this tea we planned on, Sunday, May 21 in the church basement from 1 to 5 p.m.

Mrs. K. Dalheim was approached by two ladies from Onoway, Charlotte Potter and Joan Koch, to ask her group if they were interested in canvassing for the Red Cross in Calahoo and doing some sewing for the earthquake victims. A few were interested in sewing.

The roll call was answered by making a valentine for their secret pal. Oh my, what beautiful cushions, pin cushions, pot holders and cards were exchanged.

Then when we passed the bowl around to find out who would win the door prize, the paper with the X on it was overlooked, so while passing it around the second time, to her amazement, Mrs. P. McLeod was the winner of the stout pink candle which was brought by Mrs. R. Schmermund.

Mrs. K. Dalheim attended the workshop in January and it was to everyone's interest that we have Mary give us a report on her interesting experience when they stayed at the Grey Nun's Centre while attending the A.W.I. workshop.

This workshop consists of constituency conveners, district directors, prov. chairmen of standing committees and the prov. executive called council, to iron out problem areas, bring new ideas and to learn.

The first day all the above mentioned met and the

feeling was that it was very worthwhile. On the second day all present heard Parliamentary procedure - on how to conduct meetings properly. We as a group are very much lacking here. You should:

1. Rise and address the chair.
2. Chair recognizes speaker.
3. Mover of a motion should rise, second's name doesn't have to be recorded in the minutes.
4. President states the motion - then it belongs to the group.
5. A member cannot speak twice on a motion so it's best to know what you want to say.
6. President announces result after for a negative vote is recorded.
7. Committee's can be appointed to handle certain business, then give a report at the next meeting. The chairman is always asked to sit in on committee.

At this point Mary felt this group should work through committees more.

As a member you have: freedom to vote, right to be heard, and privilege of holding office.

Secretary's duties are to record minutes accurately, draw up an agenda for the president and open the meeting if the president or vice-president is absent. Minutes should contain all motions, date and time of meeting, no comments or added adjectives, be brief and to the point.

Treasurer's duties are to record accurately all monies and transactions, pay bills, report income, expenses and balance on hand. This is read for information only and does not require a motion or adoption. Only an audited statement is voted upon and approved by the membership. The treasurer's report is adopted at the end of the year. President starts meeting on time, welcomes members and visitors, and promotes WI duties. She phones ahead of time to see if there are any committee reports, and she should only have to use her gavel once. In order of formality, God comes first, your country second and then your Club. The president should clear files out periodically, two years is far enough back except for receipts, cancelled cheques and minutes.

After that interesting day the evening was certainly

enjoyed listening to the witty and humorous lawyer, Mrs. Adelynn Hewitt, who started out by saying "We are all born - that is a fact."

She left her audience (who were so quiet you could hear a pin drop) with a wealth of information and good common sense like keep your documents, birth certificate, old bank books, fire insurance policies and the like in a safety deposit box and keep good records. Don't go to a lawyer unless you really have to. They cost money.

Do make a will and list all that you own. Also in a will be sure of the meaning of words such as "issue." An adopted child is "not issue" of the adoptive parents, so the will should state "all children."

Mary also learned that in 1980 the ACWW convention will hopefully be in Canada and any attending will have to be contributing members of the Associated Country Women of the World, so subscribe now if you wish to attend.

All who attended this workshop enjoyed the enthusiastic response from three delegates who came from the North West Territories. Due to the distance to attend meetings in the north, families gather and so these ladies were asking the AWI if they could send toys, trinkets etc. to give the children something to play with while the women have their meeting. Also wool to make things, keeps hands busy.

And in closing Mary remembers a couple of cute little jokes she heard ending a perfect report.

Adjourment came and all enjoyed the visiting during

lunch.

Mrs. McLeod had happy birthday sung to her and blew all the candles out besides receiving a gift from her pal.

The March meeting will be held at Mrs. J. Shenfield's home on Tuesday, March 23 at 8:30 p.m.

Visitors are always welcome.

It's an Ag-fact

It's an ag-fact. Soybeans, which were used as food in the Orient as early as 2888 B.C., didn't really catch on as a U.S. farm product until World War II brought on a sharp increase in the demand for margarine, derived mainly from soybean oil. Now, it's the third largest crop, with nearly 1 1/2 billion bushels harvested in 1975.

Ag-safety Tip

Each principal-farm building, including the home, should have a fire escape plan—the quickest way to evacuate in case of an emergency, advises Farm Safety Engineers at Sperry New Holland. Each family member and employee should be familiar with it.

GIBBONS NEWS

By Karen Hogg

The Gibbons Teen Club will be holding a dance on Saturday, March 13. The dance will be held from 9-12 in the school gym and refreshments will be served. Advanced tickets are \$2.50 or \$3 at the door. Tickets may be purchased from Beth Morin, Julie Sprague, Don Mabbutt or any other teen club member. Age limit is 13-18 and the band will be "Andromeda."

The Gibbons Talons hockey club are holding a gun raffle for a Parker Hale 1200 Deluxe 7mm mag. Draw is to be April 10 at the arena and are \$50 each and are available at the concession.

Gibbons second annual ice show will be held on March 19 at 8 p.m., in the Gibbons Arena. The theme is Alberta Heritage. The guest skater for the show will be Pam Arndt who is the Alberta novice champion. Admission is \$2 for adults, \$1.25 for senior citizens and \$1.25 for children under the age of 12. Advance ticket sales only. Telephone 923-2149 or you can purchase tickets at the concession. The crowning of the carnival queen will be directly after the show.

Speaking of the carnival queen, the four runners are Rhonda Smith for the Agri-

for the Legion, Arlene Law for the Community Centre cultural Society, Beth Morin and Rec. Board and Pat Briggs for the Lions.

RHONDA SMITH

Rhonda Smith is 15 years old and in grade 10 at M. E. Lazerte in Edmonton. Rhonda's future plans are to attend the Ryerson Technical School to train in the area of the arts when she completes her high school education.

BETH MORIN

Beth Morin is 16 years old

and is in grade 11 at M. E. Lazerte in Edmonton. Beth's future plans are to become a hairdresser.

ARLENE LAW

Arlene Law is 17 years of age and her future plans are to become a cosmetician. Arlene will be enrolling in the Marvel Beauty School in the near future.

PAT BRIGGS

Pat Briggs is in grade 9 and attends school in Gibbons. After completing grade 12 Pat intends to further her education in the line of becoming a veterinarian. The judges are going to have a real hard time judging these girls as they are all so very nice.

first three months of this year's cubbing. A special thanks goes to all the mothers organized by Mrs. Zimmerman for putting on a most wonderful meal and we hope that all those mothers are around next year. Thanks also goes to Mr. Bibby, along with the Pop Shoppe. Thanks Mrs. Stella Langier for the lovely plants. The boys put on skits, sang songs and played games with the parents.

A big thank you to Jim Nault and Henry Walmesley for taking the time to be the cubs leaders.

A speedy recovery is wished to the following who are either in the hospital or have just come out: Mrs. Adeline Fraser who is in the General Hospital, Mr. Doug Hood, Mr. Red Mills, Mrs. Gladys Morin, Mr. Billy Elzinga and Jim Petherbridge.

A community shower will be held for the following: Mrs. Timmy Yeo, Miss Debbie Ahlsten on Monday, March 8 at 8 p.m., in the Legion Hut. It will be a miscellaneous shower. Everybody is welcome to attend.

The residents of Gibbons will be receiving an outline of the snow ball activities in the near future. Times and dates will be posted on this flyer.

The Gibbons Curling Club will be at a bonspiel on Saturday, March 6 in Red-water starting at 8 a.m. Spectators are more than welcome.

The Community Centre will be holding a beer fest on March 20, during the snow ball activities at 8:30 p.m. in the Hub. Joint use facility. Tickets will be available at a later date.

HOCKEY SCORES

Gibbons PeeWees: Feb. 21 - Gibbons at Legal 5-4; Feb. 29 - Gibbons at Legal 7-26. Gibbons Indians - Gibbons Indians vs Bon Accord Outlaws for the Senior Carnival Cup and lost 4-1. Feb. 28 - Gibbons Indians vs Bonnie Doon 3-1; Feb. 29 - Gibbons Indians vs. Edmonton 5-4.

[Gibbons Senior Citizens]

Instead of a meeting on

February 26, we held a whist drive. Senior citizens from Bon Accord and Namo were invited to participate. Nine tables were in play with the following winners: Ladies high - Katie Brandle; Men's high - Bruce Porter (Namo); Ladies low - Cecille Strawson (Bon Accord); Men's low - H. Creswell (Namo). No business meeting was held. A delicious lunch was served. Birthday cake was donated by Kay Roe. February birthdays included Doug Hood and Jim Petherbridge, both of whom were hospitalized. Eula Mabbutt, Alice and Bill

Schneider and Nell Schneider were all in attendance. Sang Happy Birthday and The More We Get Together. Bruce Porter expressed thanks for Namo, and reminded us that their Sixty Plus Club meets the first and third Thursdays.

Jack Strawson expressed thanks for Bon Accord, and that their Golden Gems Club meets the second and fourth Tuesdays.

It was a most pleasant afternoon, with fun and laughter. Our next meeting is March 11 in the Legion Hut.

Villeneuve upsets Namo in semi finals

Villeneuve Voyagers upset Namo 9-8 last Thursday night in Riviere Qui Barre Arena and won their best of five semi-final series, three games to one. All games were extremely close as Villeneuve won the opener 3-2 but dropped the second 3-1. Voyagers took the third 6-5 before eliminating Namo in the fourth contest.

Voyagers will now meet either Legal Canadiens or Morinville Motors in the finals starting this Friday, March 5, with the second game on Sunday.

Legal and Morinville series has gone the full five games, Morinville won the opener 5-3 and the third 8-1. Legal took the second game 6-4 and won the fourth by the same score to force the deciding fifth game.

Voyagers final win over Namo came with only 55 seconds gone in sudden

death overtime when Dwayne Klassen scored the winner on assists from Mark Contant and Phil Soetaert. The game was very evenly played with the lead changing often.

Namo forced the overtime with Dale Hegadorn scoring with only 27 seconds remaining in the third period.

Dwayne Klassen led the winners with four goals, while Phil Soetaert added a pair. Mark Contant, Gerald Soetaert and Vic Soetaert scored the others.

Hegadorn paced Namo with three goals while Bob Samis and C. Siskaryk had a pair each. Bob Crozier added the other.

The finals should produce some excellent action for the fans as either Morinville or Legal will be trying to defeat the defending league champions Villeneuve Voyagers.

St. Catherines Parish bingo winners

By Liz McLeod

The cash bingo that was held on Feb. 15, sponsored by the Parish at Calahoo didn't draw too large a crowd but they were enthusiastic and enjoyed the 14 games before all the cards were removed and two bonanza games were played.

This was a cash bingo so recipients shared or played off and these lucky folks went home happy: Mrs. Melina Paquette, Mrs. Helen Quintal, Mrs. Helen Radjo and Mrs. Mary Dalheim shared; Mrs. Marge Larson, Mrs. Linda Perrott, Melina Paquette winning in the playoff between Angie Moellman and Paul Majeau; Mrs. Paul

Majeau Sr., and here's an oddity - Mrs. Jim Custer on two cards so she shared with Mrs. David Quintal on one card and got the prize on the other one. Mrs. J. Custer, Audrey Stein-kampf, Mrs. Evelyn Paquette, Mrs. Judy Desjarlais; Stacey Rothweiler and Trevor Zoschke.

Then, on the bonanza, Mrs. M. Kerckhof shared with Dale Toma and Mrs. David Peel won the final game.

St. Catherines' Parish wish to thank each and everyone who attended.

A delicious lunch was served.

Ag-safety Tip

Timely reminders are basic to any continuing safety program. For a free kit of materials, write to Farm Safety, Box 7, New Holland, Pa. 17557.

Olde Homey Hints

Wood floors were oiled by using a mixture of one gallon of boiled linseed oil with half a pound of burnt sienna. A large woolen rag was used to apply the mixture.

CALL FOR TENDER

Complete weekly garbage pickup and removal for the Village of Bon Accord for one year - commencing April 1, 1976. Lowest or any tender will not necessarily be accepted.

For full Tender details please contact - The Secretary-Treasurer, Village of Bon Accord, Bon Accord, Alberta. Phone 921-3550.

Closing date for tenders - March 15, 1976.
